THE PRESIDENT'S BAT

Welcome back to the second half of our season and a Happy New Year to you all. We have had quite a few new players signing up as a result of the interest in cricket. Our registrar, John Murray, has been busy signing up new players over the past few weeks and I would like to take this opportunity to welcome all those players and their families to the Hawks. Many of our boys are now playing for their respective schools and we all wish them well and hope to have them back later in the year at the start of the 2018/2019 season.

Over Christmas many of our players represented Brisbane North in various carnivals throughout the state. I am sure the boys enjoyed that experience and are able to bring back some of the skills they learnt to their club sides. The Hawks hosted the Ian Healy Cup again this year. I would like to acknowledge the help given by the Quin family. James and William were there working the canteen each day. My wife Kathy was once again very busy organising lunches and completing the statistics for all of the matches. Eddie Mills did a tremendous job with fruit preparation for the lunches each day. Peter McFarlane was also there each day helping to prepare and deliver lunches to the nearby fields. Other committee members were able to help out on the Friday afternoon BBQ. Thanks to Ray, Nick and Stevo. Brisbane North have received many favourable compliments on the running of the carnival from all over Brisbane and as far north as Cairns.

This year the Hawks are happy to be involved in the McGrath Foundation Pink Stumps Day. We will be concentrating on the Friday night cricket for our U8 /U9 players but ask that you keep an eye out for Flyer in this edition of the Hawk Talk for further details. Thank you to our three local politicians Tim Mander, Mike Charlton and Peter Dutton who made generous donations towards our raffle prizes. Last year the club collected over \$3,200 so let's hope for a similar result this year. Search through your wardrobes guys for all the PINK gear.

We may have a few traffic issues on Saturday 24th February as the Lions WAFL team are playing a game at their South Pine HQ. I will arrange for the two matches playing at South Pine that Saturday to start earlier at 7.30am so that they will be away from the expected "rat race" for car parks at our normal finishing time.

For our Friday night competition we are again using the ACE Netball club toilets. This is much appreciated.

Enjoy the remaining part of your season.

Steve Casey

Throughout the season I prepare almost 400 certificates, so in the rush of the moment, I am bound to get some details wrong. Please let me know if there is a problem with a certificate and I will re-issue it with the correct details. I know how important it is to have the correct name for the player and the team they play in, it's a simple thing to fix.

A. 49 B. 51 C. 47 D. 53

3. Sir Don Bradman's 334 v. England at Headingley, Leeds (1930) is one of the most recognised innings in cricket history. Batting at Number 3, which batting milestone in his career did he reach at stumps on the 1st day of play?

A. 93 B. 253 C. 201 D. 177

7. Ricky Ponting's 164 v South Africa at New Wanderers Stadium, Johannesburg (2006) was one of the highlights of a match that has gone into cricket history as one of the greatest run chases by South Africa. Australia scored 4/434 and ended up getting beaten by a wicket and 4 runs with 1 ball to spare. Who took the catch to dismiss Ponting in this match?
A. Hershelle Gibbs B. Beota Dippenaar C. Mark Boucher D. AB de Villiers
8. Adam Gilchrist's 172 v Zimbabwe at Bellerive Oval, Hobart (2004) left him just 28 runs short of his double century. How was he dismissed?
A. Caught Behind B. Boundary Catch C. LBW D. Bowled
9. Greg Chappell's 138* v New Zealand at the SCG, Sydney (1980) is memorable because of the time it took him to score the runs at Number 3. How long did he take to reach this score?

10. Andrew Symonds' 156 v. New Zealand at Westpac Stadium, Wellington (2005) brought Andrew back to cricket after a tumultuous 18 months off the field. He belted the Kiwi attack all over the park to secure a 2 run victory for Australia. Who was his batting partner during that magnificent display?

GAME REPORT: We won the toss, and elected to bat. Col was gone early again (seriously, what am I doing there). Danny and Andrew put on 60 for the next wicket at about 4 an over. Casey got a good one first up, before Robbo and Andrew put on 127 at 7 runs and over. Andrew bought up his ton with a six, over the net protecting the car park, sending the Sunnybank Sports Club patrons scattering for cover. After Andrew was joined by Sam, Andrew kicked it up a notch, scoring 40 off the last 4 overs. Andrew carried his bat to finish on 135, and the rest of us were again in awe. The old fella is getting a little soft in his old age, and was unable to take the new ball, allowing Corie and Sam to kick us off in the field. Sam picked up a run out in the second over, and Corie took a pole in the same over. They bought in their big hitters, and we sent them back as quick as they came. Man, we were just on. Everything we did turned to gold. We took wickets in the 5th, 6th, 7th and 8th overs, and they were 6/26. Their captain, Sarge, not a religious man, at one stage was on the boundary praying for rain, while one of their dismissed openers was on the far side of the field conducting some sort of rain dance, with a storm threatening. Andrew and Danny came on to push our overs through quickly, and by the time we got to the 15 over mark for a game, we had them 8 down. Another one to Andrew, and Logan took the final wicket, and we were home before the storm arrived. A comprehensive victory, and a show of what we can do at full strength (minus Salts though). Thanks to Josh Morrad for coming along to fill in for us. Unfortunately, he didn't get an opportunity to show us his batting wares, but his chasing the ball and return throws were great, and it would be good if he could help Corie out with a few pointers (a few got past Corie in the field today). Robbo also picked up 2 catches, one a great diving forward catch at forward square leg. Man of the match was a tough one, but Andrew takes it out (again) with his fine 135no, 3 for blob, and 3 catches in the cordon.

GAME REPORT: We lost the toss, and took to the field to bowl. We got our first wicket in the 2nd over, and continued to take them regularly for the next 20 overs. Corie's first over hit the stumps more than he hit the pitch, starting with a no ball, too high, dispatched to the boundary, clean bowling old mate on the free hit, only to deliver another full toss that found the stumps, luckily a legal one this time. Everyone was economical outside off, but the stump to stump balls were a little too far and few in between. There were 5 'bowled', which is evidence stump line was what was required. Had we have gone there more often, we might have been chasing only 10. Our new guy, Josh Nash 'Bridges' took 2 catches, one under a very high ball. Our confidence was high going in to bat, but I was soon back in the shed with my 33rd LBW decision this season. Lately, I have been looking for a new bat to buy, but the better value looks like new pads might get more use. They bowled tight, and had 1 guy swinging the ball quite far, but in all honesty, we probably just didn't apply ourselves as well as we should (7 scores under 10 including 3 ducks), with the exception for Nato, who kept calm and composed, getting us to within a whisker before he was dismissed. Corie blazed the final runs to the boundary to get us home. Boogs scored his first senior runs, and much like his old man, it was also a boundary. Not our best performance, but none-the-less a win, and we are currently sitting in 3rd spot, 25 points clear of 4th. Man of the match goes to Nathan Brown. Merry Christmas to all. Be safe over Christmas and enjoy the break. Don't be afraid to be ruthless in the backyard boxing day test, and bring that back to our games next year!

<p>GAME REPORT: After gorging on Christmas ham and beverages, the Hawks turned up to restart the season. We won the toss and elected to bat, which is where it all started to go wrong. No one could dig in to tough it out against the good bowling, and subsequently, we capitulated for a meagre 93 runs. Andrew took toll of some loose balls early and Casey batted well for his 19. Corie was looking good before ball watching cost him his wicket, not responding to Jack's boom "YES" call. Hopefully he learns his lesson there. Although 93 is not enough, we had bowled this team out for 99 in the previous encounter, and we were confident we could repeat the effort. It was incredibly hot in the field, and considerably, QUT didn't keep us out there too long. It was all over in 12 overs as they pretty much dispatched us at will. In our second over, they put the ball into the creek, where it remained, and we may have been better off to stay hidden down the banks, hoping they just went away. Josh pulled off a nice catch at backward square off Sam, Jack a good one diving forward off Andrew and Danny trapped their cover-driver neatly in front with his first ball, but that's about all there was to celebrate.</p>

<p>GAME REPORT: After a disappointing week last week, things took a turn for the better this week (for most of us). After winning the toss, we elected to bat, and Andrew was again the shining light for us, carrying his bat for the innings. Andrew again bought up his century with a mighty 6. This has become the signature of all of Andrew's milestones. In an innings of pure class, he delivered 17 boundaries, 7 of which were Dorothy Dixes, and took 27 off the final over of the day. Nato played well for his 29, and even though some of our other middle order innings might not have been so high, they were all supporting Andrew as he flowed freely. In the field, Sam and Nato set the scene early, both picking up wickets while keeping it very tight, having them 4/8 early. Only then did our opposition put together 2 moderate partnerships, 28 and 46, but when Casey ripped the bails off standing up to Corie (there was confusion that it may have been bowled), the bigger partnership was broken, and Corie removed their big hitter with one of the worst balls he's ever bowled, hitting the back of old mates bat, bouncing off Casey's gloves and into the hands of Andrew at slip. Logan was the only other fielder to hold a catch today, as 6 catches were grassed. Upside down day?? A blonde Jason Gillespie made a cameo at the end, and the sight of the flowing locks glistening in the sun made some of us lesser hair endowed people jealous. A good day for the Hawks, and we will wait to see what happened with Gold Crest and whether we have overtaken them or not. Man of the Match is a difficult one, with a Centurion and a Fiferian. In the interest of saving Andrew having to carry too many glasses home from the Awards day, M.O.M. goes to Corie.</p>

Bowling:	Luke Sentance	2/22
	Darcey Crown	1/9
	Luke Young	1/12
Fielding. Run Outs: Luke Sentance, Jonathan Boyce; Catches: Noah Langley, Luke Sentance		
GAME REPORT: Luke Sentance got the day going claiming the first 3 batsmen with the wickets falling due to a bowled and then an excellent run out, followed by a caught and bowled. However with the 3 batsmen in the sheds with only 9 runs to their names and 18 extras, it was clear that the Falcon's needed to improve the bowling and fielding accuracy if they wanted to keep the opposition to an achievable total. Some good middle order batting by the opposition, with strong on side batting and good running between the wickets, and a couple of dropped catches, they were able to amass a total of 6/173. With 55 extras for the opposition it was an inaccurate start to 2018. The Falcon's batting could only be described as being up and down. Darcy hitting a run a ball 23, Riley scoring a quick fire 17 and Luke brought hope to the side with a 6 off his first ball. Some good fielding by the opposition, particularly behind the wicket, meant the Falcon's were limited to a team total of 4/144.

<p>GAME REPORT: Strong start to the second half of the season for the boys with some great bowling and fielding work on a hot morning with a reduced team. The opening bowlers got early wickets with some great catches from the fielders. Batting was tough with a strong opposition. Will backed up his not out from the end of last year with another good performance supported by Danny who also made his first not out and scored 22. Man of the Match: Daniel Melloy</p>

Fielding: First week back after the holidays and fielding was unfortunately not at our best, we dropped a few catches and end with two catches by Jonathan and Nell.		
<p>GAME REPORT: We had a good start to the season with a win over the Sea Eagles. We won the toss and decided we will bowl first. The team really bowled well with only 20 wides for the day. The boys supported their good bowling by batting really well, scoring 152 for only 4 wickets and most of the players contributing with runs.</p>

Fielding: In his first game for the U12's Josh Stevens was great in the field diving all over the place to stop the runs.		
<p>GAME REPORT: After a long break the U12 Hawks were excited to be back out playing cricket. On a hot day the Hawks fielded first and as has been the case all season wickets were shared among the team with Lachlan, Thomas, Andy and Pawan taking a wicket each. At the end of the innings Pine Rivers made a respectable 4/132. The Hawks then went out to bat and while not many wickets fell, some economical bowling from Pine Rivers saw them seek revenge on the Hawks from earlier in the season with the team finishing their innings at 3/91. Well done to Thomas, Pawan, Andy, and Josh who all retired not out.</p>

Fielding: Charlie Ellison		
<p>GAME REPORT: It has been an long 10 weeks without cricket, and the Under 9 Red Hawks were chomping at the bit to get back into action on Friday night. And it was clear that the lads have been using their holidays to sharpen their skills! Batting first Max couldn't wait to attack the bowling, blasting a magnificent boundary straight over the bowler's head in the first over of the new year, and then Charlie blazed through the covers, with both youngsters scoring 10 runs a piece. Ansh was a bit rusty at first after the break, but then smashed 14 runs off his last three deliveries, including a monstrous six, to top score with 22, and then Ethan knocked the ball around beautifully for a well-crafted 14. Ethan then backed up his performance with the ball, claiming 2 for 13 and effecting a run out, and big brother Olly emptied his full bag of tricks he has mastered over the holidays, bowling leg breaks, bouncers, slower balls, and searing Yorkers, to take 2 for 14. Charlie also picked up a couple of wickets and picked up a runout, but it was debutant Xavier, filling in for injured brother Seb, who really impressed with the ball in his first match for the Hawks, claiming a very respectful 1 for 23, having clean bowled the White Hawks opening batsman. Matteo and Hudson both improved their line and length from last year, and seem to have picked up a yard of pace each, but were unlucky not to pick up any wickets. Against a strong White Hawk outfit this was a great start to 2018 and the boys will no doubt be even stronger next week after a solid hit-out.</p>

Great game by the white hawks with the boys having a tonne of fun. Welcome to our new recruit Will Hammond, whom performed wonderfully with a solid batting knock of 15 and good spin bowling. <p>GAME REPORT: Finally after what seemed like an eternity Cricket is BACK!! With 4 new starters in the team, the focus was on making sure they enjoyed their debuts. Jett the captain for the night, was told at the coin toss that "tails never fails" , however on this rare occasion it was a head. So we lost the toss and were sent in to bowl directly into the hot summer sun that was setting. Bowling was tough on the grassy wicket, but when Craig tossed one up that tempted the batsman to play a wild shot, it resulted in a magnificent catch by Jett out in the deep, the boys had their first wicket of the night. Billy followed up nicely with some left arm chinamans taking his first career wicket with a sharp turning delivery that crashed into middle stump. Reminded me of Brad Hogg, only Billy didn't have his tongue sticking out. The black hawks batted deep into the innings setting a massive total that was going to be hard to chase down. The boys padded up and sure enough they were up for the challenge, sending numerous balls to the boundary and even a few over the ropes. With one over to go, the scores were tied..... Only needing one run off the final over to win, the Black Hawks were under pressure. They rose to the occasion, bowling a brilliant maiden over. A super-over was on the cards, however it was late in the night and everyone was ready for bed. Both teams shook hands and called it a draw. What a great start to the second half of the season.</p>

Bowling:	Trinity Rohl	2/15

<p>GAME REPORT: A tight game, went down to the wire with a one run loss. Sometimes there is one opposition player that dominates, and that's what happened today. Well done to Trinity Rohl who had a great game with two wickets, a catch and our top scorer. Again, bowling and batting continues to improve as the season goes on. Well done.</p>

Fielding: Run-Outs: Luke Sentance; Catches: Ben Abery

GAME REPORT: What a finish! Chasing a modest total the Falcon's looked subdued at 6 for 49 at the start of the 18th over after some accurate bowling and tight fielding, with the majority of the Falcon's struggling to get the ball away past the infield. However, with Jack's arrival at the crease and a steady start to his innings, the fireworks started with a glorious 6 over deep mid-wicket and then another six fours to reach a match winning 39, including hitting the winning run behind point off the last ball of the match. Some tight bowling by Noah to claim his 2 wickets, with some variation in his spin and pace, and another unassisted run out by Luke Sentance where the highlights in the field. The oppositions total of 106, included 44 extra's (24wides, 9 no balls and 11 byes) and shows one of the areas where the team need to focus in the coming matches

GAME REPORT: David won the toss, and elected to field first on a day we expect lots of rain. We end up playing all 50 overs with a soft drizzle falling most of the game. Our bowling let us down with a total of 60 wides in the first innings and another 22 in the second innings. We made up with our batting with 7 players retiring after 25 balls not out, returning to bat again. Mitch and Sam started with a great opening partnership of 68 runs and the rest of the boys continue supporting them with each player scoring runs and continue the good batting performance on the second day scoring a not out total of 232. The players did really well on the second day to get the last few wickets and sending Valleys back in for a second innings. Well played team

GAME REPORT: Another good performance from the boys against a strong opposition. Some excellent work with the bat with the boys really valuing their wicket and scoring when the opportunity arose. Great communication between the batsmen leading to some well ran singles to keep the scoreboard ticking over. GAME REPORT: We lost the toss and were sent in on what was looked to be a pretty good wicket. Andrew had an unusually short stint at the crease after being surprised with a bit more bounce from one, but Col was nothing but consistent, again going cheap (first ball this time). Alex joined Nato at the crease in the second over and they steadies the ship, before Nato went in the 10th. Alex was clearly the standout batsman for the day, and together with Salts put on 80 for the 5th wicket. Salts appeared effortless dispatching balls to and over the boundary, but also worked the ones in-between. When Alex finally went, Sam joined Salts and they put on another 40 before Salts was run out. 181 was always going to be a stretch for our opposition, as they rely mostly on one or two blokes. Our bowling was tight, and only one of their batsmen made it into double figures. Of particular noteworthiness, in Andrew's 5 over spell, there was only one ball that was scored off, all others were dots and wickets. We caught well today. Alex took a sharp catch at gully, Salts in slips, Nato as short leg, Corie running around at mid-wicket, and Sam running the full length of the pitch off his own bowling. Casey took one behind the stumps, to which the umpire initially shook his head, before raising his finger. The batsman was most displeased with this, and gave the umpire a spray before protesting at short fine leg and not leaving the field. He eventually left, but must still have been a little confused, as not only did he leave the field, he then left the ground. Whilst the bowling and fielding today was good, the performance by Robbo cannot be overlooked for Man of the Match honours.
