\*\*\* Rule Change 2005/2006 - U10 age group only - for whole season - a batsman continues batting until their ball allocation has completed regardless of whether they have gone out or not. \*\*\* Rule Change 2005/2006 - U10 age group only - for whole season - a batsman continues batting until their ball allocation has completed regardless of whether they have gone out or not. Previously, this applied to half the season and then in the second half, a batsman's innings finished when out.
