The President's Bat

Welcome to our second last Hawk Talk for this season. We have four weekends to go to finish the junior season. Wet weather has played us an ugly hand over the past three weeks with play being cancelled on two weekends. We certainly needed the rain but I think we are over the wet now.

Our Picket fence project is nearly completed after interruptions from the big wet. We did receive a grant from the Federal Government towards this project so I would like to publicly thank Peter Dutton, our Federal member for his assistance with our Grant Application. It will really top off our North field nicely and people will identify this field as a cricket oval.

Within a few weeks work will commence on our second net facility. This will be a Two lane net complex situated at the north-east end of our north field near the eastern car park. With our growing numbers and the decreasing school facilities available to our members for training, the Hawks' committee has decided to proceed with this new project. Cricket Australia and Queensland Cricket have promised funds here for this project.

I hope the weather settles down between now and Saturday 21st March when our season winds down. Don't forget our Summer Presentation Day on Sunday 29th March at the Albany Creek State School Hall.

Regards

Steve Casey

Throughout the season I prepare almost 400 certificates, so in the rush of the moment, I am bound to get some details wrong. Please let me know if there is a problem with a certificate and I will re-issue it with the correct details. I know how important it is to have the correct name for the player and the team they play in, it's a simple thing to fix.

COACHES / TEAM MANAGERS

Are your team stats submitted for every match?

The Summer season is drawing to a close and the decision over award recipients is based on match stats.

No stats equals no awards for players.

Are you behind in updating player stats?
Now is the time to act!!!!

Let the players **play!**

Let the coaches **coach!**

Let the officials **officiate!**

Let the spectators **be positive!**

That's how we **Hawks** do it!

Have a fantastic season **Everyone!**

SOME SIMPLE HOUSEKEEPING RULES FOR THE SEASON

Please keep our fields tidy and remove all rubbish at the end of training and matches. There are several rubbish bins placed around the net and field areas. This applies for all grounds used during the season, i.e. schools and opposition fields

Restrooms at all grounds are for everyone's use and convenience. Please leave them in a tidy condition and report any issues to your team manager.

When entering the South Pine Sports Complex at any time, please travel at the signed speed limit for everyone's safety, especially during night cricket when visibility is limited.

Please park only in designated parking spots and refrain from parking on lawns around the complex.

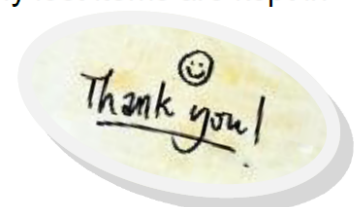

TURN OFF LIGHT

Please ensure that net and field lights are turned off at the end of training sessions. Non-club members can not utilise the lights at any times and the lock codes are made available to club coaches for Hawks members only .

We frequently find items left behind after matches or training. Please ensure to check your areas for any items before leaving the field. If you have left something behind you can email us on acc@albanycricketclub.com.au. Generally any lost items are kept in our club canteen for a short period of time until claimed.

IMPORTANT NOTICE TO PARENTS - TEAM PLACEMENT POLICY

We do not grade players at Albany Creek Cricket Club. It is the policy of the club to attempt to place players according to the individual requests of the players. If no special requests are made, players will be placed in the appropriate age group.

To make it simpler for existing players to register for the next season, we will provide pre-filled registration forms on our club sign-on weekend. Please note - the registration form and the club's webpage form provides a special request section, so that parents can make requests for team placement as per examples:

- *Same team as last year*
- *With Matthew Hayden*
- *With players from 'All Saints School'*

Registrations are only accepted through MyCricket, including payment. If you wish to contact our Registrar, please email acc@albanycreekcricketclub.com.au

Towards the end of each season we will publish the dates for next season's sign-on weekend in the newsletter and on the club's Webpage and Facebook page. We would also like to remind all parents to ensure that any changes in contact details are forwarded to the club to avoid missing out.

Increasing player numbers each year make the administrative task of organising teams more difficult. At the beginning of each season our registrar invests a great deal of time reviewing all player requests before allocating players to individual teams. This commences on Sign-on weekend and continues over several weeks, with new registrations and late registrations coming in right until (and sometimes well after) the season's first game. So please be sure about your special requests, it is extremely difficult to accommodate any late changes once the teams are formed. The process of sorting teams is long and involved and moving players around after teams have been formed creates a logistical nightmare, especially since we also have to work around a deadline for nominating teams to the Brisbane North Junior Cricket Association.

We have in excess of 300 players to keep happy, therefore if registrations are not received before and by the sign-on deadline, or the registrar is not advised of a player's intent to return and preferred playing arrangements, special requests can only be met if there is room in the nominated team.

From: The Albany Creek Cricket Club Committee

GENERAL ADMINISTRATION

Any Cricket Problems? All Committee phone numbers are listed on page 3:

You have all had a little time to settle in and see how your team is going. Are there any problems? Please don't think now that the season has started that you are on your own. Phone and talk to any committee member or alternatively, approach your coach and we will try and fix what we can.

Helmet Policy

It is club policy that all **Batsmen MUST wear a helmet** when batting. **Wicket-Keepers MUST wear a helmet if keeping up close to the stumps**, regardless of the style of bowling. This is a Cricket Australia and Brisbane North Junior Cricket Association rule and as such non-negotiable. **NO HELMET—NO PLAY!!**

Batting Gloves Protectors

Zone Rules 2.2 (d), (e), (f), (g) & (h) require **ALL** players to wear protection when batting - helmets, pads and gloves are available in each team kit. All players are issued with a personal protector when registering and **MUST** use them.

Safety - Wet & Cold

Playing cricket can be extremely hot, so please ensure that player safety is a priority when deciding on the need to leave the field for a spell or not. It is important to ensure that all players apply sunscreen before the match and re-apply during every break. Players should wear a wide-brimmed hat and take regular drink breaks throughout the innings. In the event of rain consider player safety when assessing the field conditions to avoid slipping and dangerous play. Do not commence the match if the oval is deemed unsafe and wait for conditions to improve or make a decision to possibly abandon the match if necessary. **DON'T PUT PLAYERS AT RISK!!!**

Coach's Responsibilities

The coach runs the team. The coach is responsible for preparation of the players and control during the match. Batting and bowling orders are the coach's responsibility. It is recommended that from U13 upwards, a captain is appointed to run the team, particularly when fielding. The Hawks expect **ALL** coaches to have a basic Level 1 Coaching Certificate. It is the coach's responsibility to enforce the club's helmet policy and ensure that players wear all protective equipment as outlined above.

Manager's Responsibilities

The manager assists the coach with the team administration. The manager should ensure that rostered parents are available to attend canteen duties (as required), act as umpires, scorers and generally assist players and team management throughout the game and training, i.e. organising batsmen to get ready. Managers are responsible for the publication and recording of match results and team statistics. U8 to U10 match abstracts are to be emailed to our statistician directly, U11 to Open Divisions must enter their match stats into the MyCricket online database. Under 11 to Open managers will also forward player of the round nominations to BNJCA as outlined in the coach's/manager's manual.

WINTER CRICKET 2020 IS JUST AROUND THE CORNER HAWKS!!!!

The Winter Warehouse Cricket Season will commence in early May and registrations will soon open for players and/or teams wishing to participate.

We are currently finalising the details for the registration process and our Warehouse Registrar Eddie Mills will send out the required information shortly.

We will accept Junior Teams (Saturday only) and Senior Teams (Saturday & Sunday) for Winter. The youngest age group for Juniors is Under 13's. Parents please be mindful of the fact that the Under 13's competition accommodates a large age range with players as young as 11 to already 14 years of age. The age grading of teams is based on the Summer season, meaning, any player who has played under 13's then, can still play the same age group in Winter.

Whilst every effort is made to match teams in the comps according to ability, it is possible that there is a significant skills gap between competing teams in the same grade. across all clubs.

Our club fielded 4x Under 13's, 2x U14's and 2x U15's last Winter and generally the teams are already decided before approaching our registrar to nominate. Player requests have a key role in our team selection process and it is important to advise Eddie asap of individual requests.

Now is the time to start talking to friends and team mates about Winter cricket. Eddie loves it when complete teamlists are forwarded to her prior to registration start, this makes her job much easier, don't forget to organise your coach and manager as well.

Any questions please email Eddie Mills: eddie@centb.com.au

Should you need advice to decide if Winter Cricket is suitable for your child, have a chat to our President Steve Casey. Steve has his fingers on the pulse when it comes to our Junior players and he is more than happy to assist.

Senior players looking for a team should contact Eddie Mills to register their interest asap. Generally we have more teams in Winter, but those teams have been playing together for a long time and most only have limited vacancies or none at all, meaning at this stage we can not guarantee a spot.

	Jayden	2/12
	Baxter	1/8
FIELDING: Kallam, took one of the catches of the season. A diving 2 handed screamer at backward point from a slicing drive off Jayden's express pace.		
GAME REPORT: Batting: A slow outfield due to freshly cut grass, meant we had to work hard for all our runs. The boys enjoyed pushing hard getting back into the swing of quick singles. James continues to muscle 4s in each innings, while Shabad played a great supporting roll in the middle overs. With the ball, Parker was outstanding, bowling a maiden and finished with 9 dots from his 2 overs. Baxter's pace still troubles batters and his figures were tight. 9 wickets overall in the field is one of our best efforts. We look forward to see what the rest of the season has instore for us.

	Lachlan Kerr	0/10
<p>FIELDING: First week back from the Xmas break and we were sent into bowl first, although excited to be back we started very slowly. It was clear to see a couple of the boys had been practicing over the break though with some excellent bowling performances by Damon, Asher and Lachlan. Damon narrowly missed out on a hat-trick with the ball being edged over the keepers head.</p>		
<p>GAME REPORT: As our first we back we got better and better as the game went on, the boys started to put some of the things coach Marty worked on pre-xmas into action with some excellent backing up in the field and much better batting as the game went on. Man of the match this week was Damon Langan, well done with a great game both in the field and with the bat.</p>

Bowling:	Nicholas Lawrence Hat-Trick	3/39
	Jack O'Sullivan	2/14
	Mitchell Ring	0/15
FIELDING: Good effort in the field but no catches or run-outs in this game.		
GAME REPORT: Second half of the 19/20 started at Eatons Hill on a warm and humid morning. The Eagle hawks batting first struggled to make the boundary on a number of occasions due to the long wet outfield. Will Hammond top scored on 17 runs with Mitchel Ring and Nicholas Lawrence making 13 from their innings. Eagle hawks turn to bowl was a mix of ups and downs. The big up was a wonderful Hat Trick maiden from Nicolas Lawrence in his second over where his perfect pin point bowling bowled the batters out three times. Nicholas finished with figures of 3/39 off 4 overs. From there Jack O'Sullivan was the only other wicket taker with figures of 2/14 off 2 overs. However they found it very hard to stop the run chase and the Ferry Hills Red's finished the innings with a very strong batting performance. Great effort Eagle Hawks after the break with an enjoyable morning. Man of the Match was Will Hammond.

Fielding: Some good bowling from the Hawks today with both Aidan and Shoni getting through a strong attacking batting line up to remove the bails. Lucas Johnson kept well with an incredible caught behind off Aidan's bowling! Riley Hosking showed quick reflexes taking a great catch at cover from Ansh's bowling. Ansh also kept well and was sharp in the field with a good run out. Despite some good efforts, and a tight fielding performance from the Hawks still couldn't contain a rampant Valleys side.		
GAME REPORT: Valley Purple won the toss and chose to field first, A clever decision with a wet slow outfield only drying out after 10-15 overs. Lucas Johnson's innings was impressive – a great example of good shot selection and assertive batting. Aidan and Shoni also scored well early despite the slow outfield, each hitting boundaries. Man of the Match: Lucas Johnson, Aidan Bowers and Ansh Gidh.

FIELDING: Catch to Chrystian. Run-out that was a team effort. Maiden over to James, who finished with 0/1 off two overs.		
GAME REPORT: Welcome to the team Chrystian and Jordan. Bowling first, the Sea Hawks were thankfully not rusty after the Christmas break. We took six wickets but it could have easily been more with many balls bouncing mere inches over the top of off-stump, beating the opposition batters. The opposition did manage to smash out more than a-run-a-ball for us to chase, which was going to be difficult given the conditions. Many batters faced difficult bowling, and with a full team of nine players facing 13 or 14 balls each, the team was limited to the amount that could be added to the total, when it took a few balls to get their eye "in". All up, it was well fought by the team, and everyone contributed well, but it was a bit of a downer that we couldn't grab the win.

GAME REPORT: On what was being billed as "The Clash", was exactly that. Some excellent, accurate bowling by the Night Hawks had the Falcons at only 30 runs in the 10 th over before Noah and Tristan started to nudge the ball around and get the run rate back up to over 4 and leaving the Night Hawks to chase 105 to win on a hot, damp outfield and humid day. The start to the Night Hawks innings was full of excitement as you would expect from "The Clash", with a maiden first over followed by an excellent run out and lbw in the second over, followed by a great catch by Jack behind the sticks to leave the Night Hawks on 3 down for only 4 runs. The Falcons thought Christmas had come around again, however some solid batting by Sam and Henry brought the score up 84 at the end of the 22 nd over. Leaving 22 off the last 24 balls for victory, and channeling their Chris Lynn Big Bash approach, Hamilton and Sean smashed 37 to leave the Night Hawks with an emphatic win.

It paid off as they finished their bowling innings with 9 wickets. Will Hammond taking three wickets in one over, where he was on a hat trick, finished with figures of 3/21. Jack O'Sullivan also bowled extremely well to finish on 2/13. Their fielding was also excellent with many stopped boundaries and great backing up. Then came the batting innings. The Eagle Hawks shot off to a flyer and finished with 170 runs off the bat. Top scoring was Nicholas Lawrence hitting a fast 36 with one 6 and six 4's. Shoni Pyne with a great catch (off Toby's bowling) in the outfield and another run out, whilst Ansh Gidh's took the total run outs to 7! Lucas Johnson and Bailey Purcell removed the bails with some excellent line bowling. The communication and sharp work in the field gave the Hawks plenty of confidence heading in to bat.</p>		
<p>GAME REPORT: Having spent much of the season training to build a solid defensive base, the Hawks elected to take a more aggressive approach to batting this week. Riley Hosking was simply outstanding with the bat securing a rare 50n.o. off only 13 balls. Lucas Johnson was strong once again (30) and Ansh Gidh showed great touch with a rapid fire 28 n.o. With plenty of power hitting and terrific performances, (special mention Lucas Johnson - bat & ball, Shoni Pyne R.O., catch and 22n.o.), MVP honours were deservedly split between Riley Hosking and Aidan Bowers today!</p>
