---

Welcome to our first Hawk Talk edition for 2019/2020. I would like to send a special welcome to all those new families with the Hawks this season. This year we have a record 38 teams playing from U8 through to our Open division which is U16 to U18. This season, as with last season, we have two half season competitions, a pre –Xmas and post Xmas competition. With these two separate competitions before and after Xmas, it will be possible for your team to win two competitions throughout the full season. After Xmas when some players go off to play for their schools, we will re-arrange teams to fill any vacancies. This is usually only for teams from U12 upwards.

This year we will be again sending out the Hawk Talk electronically. This reduces costs and certainly takes a load off the time spent by our Editor, Eddie Mills. It also allows us more flexibility to highlight the various products of our very generous sponsors.

Thank you to all those people who have volunteered to be coaches or managers. This season we only had to find a few new coaches, mostly in the younger age groups, which says a great deal about our retention rate. The parents of this club appreciate the work that is being done by these wonderful people and have every confidence in the way their children are being cared for. Remember parents that this is your club and any help that you can offer makes life easier for coaches/managers/scorers and club officials. We are all volunteers.

On training nights, you can help out by being prompt when picking up children. Your team officials will not leave until all kids are collected so be considerate to them. On game days support your team and the opposition in a positive manner. Our children will model our behaviour. Winning humbly is as important as congratulating the opposition when they are successful. Scoring and umpiring can sometimes be very stressful so please help your team by being supportive of those who have put their hand up to do the tasks that provide games for your children. I would not like to see cricket as being a child- minding service on Saturday mornings.

We have a new Treasurer this season in Leon Marais and already he has fitted in well. Thanks to Kathy Casey for all her admin work in getting coaches and managers set up as well as all the MyCricket duties which are necessary. I would like to thank all our committee people in advance for the great work which I know they provide this season.

We welcome back Andrew Phan and his van to our Friday Night competition. He offers a delicious variety of coffees and hot chocolates as well as burgers, chips and toasted sandwiches.

I would also like to thank the ACE Netball Club which has kindly allowed our club the use of their toilet facility for Friday night cricket. It is far too dangerous for our young cricketers to have to go over to the old clubhouse building with cars and poor lighting around those premises.

Congratulations to our hard-working Registrar, John Murray who has successfully placed over 380 boys and girls into those 38 teams. We do have two All-girl teams in the BNJCA All-Girls competition.

Please be prompt with the match reports and stats reports that you send into Kathy or Eddie. All our trophies at the end of the season are directly dependent on your match reporting. No stats = No trophies.

I recommend that you support all the generous sponsors who make a significant contribution to our club and allow us to provide the excellent facilities and equipment to enable the players to achieve their playing potential.

Steve Casey

## SOME SIMPLE HOUSEKEEPING RULES FOR THE SEASON

Please keep our fields tidy and remove all rubbish at the end of training and matches, There are several rubbish bins placed around the net and field areas. This applies for all grounds used during the season, i.e. schools and opposition fields

Restrooms at all grounds are for everyone's use and convenience. Please leave them in a tidy condition and report any issues to your team manager.

When entering the South Pine Sports Complex at any time, please travel at the signed speed limit for everyone's safety, especially during night cricket when visibility is limited.

Please park only in designated parking spots and refrain from parking on lawns around the complex.

Please ensure that net and field lights are turned off at the end of training sessions. Non-club members can not utilise the lights at any times and the lock codes are made available to club coaches for Hawks members only .

We frequently find items left behind after matches or training. Please ensure to check your areas for any items before leaving the field. If you have left something behind you can email us on [acc@albanycricketclub.com.au](mailto:acc@albanycricketclub.com.au). Generally any lost items are kept in our club canteen for a short period of time until claimed.

## IMPORTANT NOTICE TO PARENTS - TEAM PLACEMENT POLICY

We do not grade players at Albany Creek Cricket Club. It is the policy of the club to attempt to place players according to the individual requests of the players. If no special requests are made, players will be placed in the appropriate age group.

To make it simpler for existing players to register for the next season, we will provide pre-filled registration forms on our club sign-on weekend. Please note - the registration form and the club's webpage form provides a special request section, so that parents can make requests for team placement as per examples:

- *Same team as last year*
- *With Matthew Hayden*
- *With players from 'All Saints School'*

Registrations are only accepted through MyCricket, including payment. If you wish to contact our Registrar, please email [acc@albanycreekcricketclub.com.au](mailto:acc@albanycreekcricketclub.com.au)

Towards the end of each season we will publish the dates for next season's sign-on weekend in the newsletter and on the club's Webpage and Facebook page. We would also like to remind all parents to ensure that any changes in contact details are forwarded to the club to avoid missing out.

Increasing player numbers each year make the administrative task of organising teams more difficult. At the beginning of each season our registrar invests a great deal of time reviewing all player requests before allocating players to individual teams. This commences on Sign-on weekend and continues over several weeks, with new registrations and late registrations coming in right until (and sometimes well after) the season's first game. So please be sure about your special requests, it is extremely difficult to accommodate any late changes once the teams are formed. The process of sorting teams is long and involved and moving players around after teams have been formed creates a logistical nightmare, especially since we also have to work around a deadline for nominating teams to the Brisbane North Junior Cricket Association.

We have in excess of 300 players to keep happy, therefore if registrations are not received before and by the sign-on deadline, or the registrar is not advised of a player's intent to return and preferred playing arrangements, special requests can only be met if there is room in the nominated team.

## GENERAL ADMINISTRATION

### Any Cricket Problems? All Committee phone numbers are listed on page 3:

You have all had a little time to settle in and see how your team is going. Are there any problems? Please don't think now that the season has started that you are on your own. Phone and talk to any committee member or alternatively, approach your coach and we will try and fix what we can.

### Helmet Policy

It is club policy that all **Batsmen MUST wear a helmet** when batting. **Wicket-Keepers MUST wear a helmet if keeping up close to the stumps**, regardless of the style of bowling. This is a Cricket Australia and Brisbane North Junior Cricket Association rule and as such non-negotiable. **NO HELMET—NO PLAY!!**

### Batting Gloves Protectors

Zone Rules 2.2 (d), (e), (f), (g) & (h) require **ALL** players to wear protection when batting - helmets, pads and gloves are available in each team kit. All players are issued with a personal protector when registering and **MUST** use them.

### Safety - Wet & Cold

Playing cricket can be extremely hot, so please ensure that player safety is a priority when deciding on the need to leave the field for a spell or not. It is important to ensure that all players apply sunscreen before the match and re-apply during every break. Players should wear a wide-brimmed hat and take regular drink breaks throughout the innings. In the event of rain consider player safety when assessing the field conditions to avoid slipping and dangerous play. Do not commence the match if the oval is deemed unsafe and wait for conditions to improve or make a decision to possibly abandon the match if necessary. **DON'T PUT PLAYERS AT RISK!!!**

### Coach's Responsibilities

The coach runs the team. The coach is responsible for preparation of the players and control during the match. Batting and bowling orders are the coach's responsibility. It is recommended that from U13 upwards, a captain is appointed to run the team, particularly when fielding. The Hawks expect **ALL** coaches to have a basic Level 1 Coaching Certificate. It is the coach's responsibility to enforce the club's helmet policy and ensure that players wear all protective equipment as outlined above.

### Manager's Responsibilities

The manager assists the coach with the team administration. The manager should ensure that rostered parents are available to attend canteen duties (as required), act as umpires, scorers and generally assist players and team management throughout the game and training, i.e. organising batsmen to get ready. Managers are responsible for the publication and recording of match results and team statistics. U8 to U10 match abstracts are to be emailed to our statistician directly, U11 to Open Divisions must enter their match stats into the MyCricket online database. Under 11 to Open managers will also forward player of the round nominations to BNJCA as outlined in the coach's/manager's manual.

# How Are The Winners Of Team Trophies Determined??!!

At the end of the season, there are three trophies awarded for each team:

1. Batting Award
2. Bowling Award
3. Coach's Award

In the past there has been some confusion as to how the winners of these trophies are determined. Set out below are the basic guidelines used to determine the winners:

1. The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 – U16] while the junior grades [U8 – U10] are determined by the best aggregate total {unless there is a draw, in which case averages will be used to determine the winner}. For senior grades, this player **MUST** have played in 50% or more of the team matches and be in the top 50% of run scorers (see below for an example of how the top 50% of run scorers are determined).

2. The **Bowling Award** is decided next.

[The winner of the Batting Award is not eligible for this award.]

Again, the best average is used to determine the winner in senior grades [U11 – U16] while the junior grades [U8 – U10] are determined by the best aggregate total {unless there is a draw, in which case averages will be used to determine the winner}. For senior grades, this player **MUST** have played in 50% or more of the team matches and be in the top 50% of wicket takers (see below for an example of how the top 50% of run scorers are determined).

3. The last award decided is the **Coach's Award**.

[The winners of the Batting or Bowling Awards are not eligible for this award.]

This award is decided by the Coach **and may be given for any reason what so ever.**

For example, the Coach may decide to award it to a player who may not have been amongst the best batters or bowlers but had displayed a great attitude towards the game, his team and his coach, both on match day and at training.

*The Batting Average is calculated by dividing the number of times the batter has been out into the total runs scored for the season e.g. 125 runs divided by 5 "outs" will give an average of 25.0.*

**The Bowling Average is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against. e.g. 100 runs against divided by 5 wickets will give an average of 20.0.**

## **Top 50% of Run Scorers or Wicket Takers**

To determine the top 50% of run scorers or wicket takers, the team is sorted from highest run scorer or wicket taker to lowest run scorer or wicket taker. The top half of these are then eligible for the batting or bowling award.

For example, to determine the batting trophy for a senior team that has 12 players, the players will be sorted from the highest to the lowest batting aggregate for the season. The top 6 run scorers (50% of the number of players in the team) will then be reviewed and the one with the best average will be the winner (provided they have played in the requisite number of games). A similar process would be used to determine the bowling trophy winner for a senior team.

# 30/30 STORM RULE

All coaches, managers, captains and anyone else with delegated responsibility for players, are instructed to exercise extreme caution during thunderstorms.

The 30/30 rule is to be applied:

(a) if lightning and thunder are separated by a period of less than 30 seconds, the lightning is close enough to be a threat. You are to leave the field or training area immediately and seek shelter in a building or motor vehicle – *not under trees*.

(b) A period of 30 minutes should elapse before play is resumed, that is, after seeing the last lightning flash, wait 30 minutes before leaving shelter. If during this time lightning is again observed, contrary to the 30/30 rule, the 30 minutes will start again.

(c) Common sense should also prevail and caution must be exercised. If lightning is observed in your vicinity, leave the field. Do not hesitate to take the initiative and lead your players off if the opposition and/or umpires do not agree.

*This regulation applies to all junior and senior matches. Safety of all involved is paramount and not negotiable.*

## Guidelines for Heat, Hydration and Sun Protection

### Heat

Climatic conditions vary throughout Australia and tolerance of heat and humidity varies significantly from one individual to another. Fortunately the majority of junior cricket matches are normally played before or after the hottest part of the day. However, players' health must always be considered in the scheduling of matches.

Cricket Australia recommends that Clubs, Schools and Associations apply common sense guidelines to climatic conditions that exist within their respective regions and consult with the Sports Medicine Australia branch within their state or territory to assist in the development of local policies.

### Hydration

No single recommendation on the volume of fluid to be consumed is appropriate due to the vast range of body composition, fitness, and states of acclimatisation represented in childhood and adolescence.

More fluid appears to be consumed by young people when the drinks offered are perceived as palatable to them. Regular and effective drinking practices should become habitual to young athletes before, during, and after activity.

### Guidelines for fluid replacement:

- Drinks breaks occur every 30 – 60 minutes in all matches (every 30 minutes in conditions of extreme temperature);
- Water is the most appropriate drink for re-hydration. However, diluted cordial or sports drinks may be supplied. Flavoured drinks may be particularly palatable to children who have consistently poor drinking habits during exercise;
- Drinks should be available for individual players between drinks breaks. Umpires should be advised that additional drinks are sought and players should make every effort to ensure no time is wasted;
- Players should be encouraged to have their own drink bottles. This ensures that each player has access to an adequate level of replacement fluids and reduces the risk of contamination and viruses; and
- Where cups and a large container are supplied, cups should not be dipped into the container. Used cups should be washed or disposed of after use.
- Do not share cups.

# TEAM PHOTO DAY 2019

All Players are expected to wear full cricket whites, including cricket shoes and their Baggy Red Cap. Coaches and Managers should wear their club shirts.

Teams should arrive at least 10 minutes prior to their allocated time to avoid long wait times. Unfortunately we can not wait for any late comers.

The photos will be taken in the AFL Club House meeting room facing the South Field.

The cost for the photo is included in the annual registration fee.

A great first game by Lewis and Declan both taking wickets. Good work White Hawks, we are going to have a fun season.</p>

Adding to this our 2 new players James (4) and Parker (6) hit boundaries off their first ball of outdoor cricket!! With the ball in the field, the boys played like seasoned pros. Batting:	Riley Johnson	17
	Aidan Bowers	16
	Shoni Pyne	11
Bowling:	Shoni Pyne	1/8
	Lucas Johnson	1/15
	Aidan Bowers	0/7
<p><b>Fielding:</b> A tough day in a wet and slippery field for both Teams. Good scrambling by the Night Hawks restricted Redcliffe to very few boundaries and only 77 runs, however a couple of missed chances saw the Night Hawks only take the 2x wickets in the field. Lucas Johnson and Shoni Pyne removing the bails with good line and length, Aidan and Riley also bowling well. Bailey and Toby kept well in difficult conditions.</p>		
<p><b>GAME REPORT:</b> Black Hawks won the toss and elected to bat. Hawks assembled a good total of 90 runs but gave up too many wickets (7) in getting there. Strong batting by the top 3 with Riley hitting a terrific 6 to take the wet ground out of play! Aidan Bowers' economic bowling, strong batting and tidy fielding combined to hand him the Man of the Match Award</p>

	Rowhan Relan	10
Bowling:	Sakith Paravithana	2/10

<p><b>Fielding:</b> All players were enthusiastic in their fielding efforts, putting pressure on the batters and often preventing the opposition from taking a second or third run. Zechariah was noted as having to cover a lot of distance out on the boundary at third man, long on and long off.</p>		
<p><b>GAME REPORT:</b> It was an enjoyable start to the season, even though it was a rain interrupted game, which we finished a few overs early due to nearby lightning storms. Good coordination from the siblings, Harini and Sakith, meant that a lot of quick singles were scored by that batting partnership. Tyson top scored with 23, even though he faced some tight bowling. Sakith and Noah were our wicket takers, with two batters bowled out, and one caught behind by Harini.</p>

Fielding: Ollie, Ed, Hunter, Abhey, Dean		
<p><b>GAME REPORT:</b> Well done to the boys, many of whom playing their first ever game, and to the whole team for getting together for the first time. Difficult batting against a pretty good team, with only Harry and Dean having lengthy stays at the crease to each retire their innings. Remember that time at the crease means more runs through all those extras that add up in this age group! We clearly need to work harder on protecting our stumps while batting, with 5 of us getting out bowled! Special shout out to Caleb, who took a wicket with his very first ball, and Ollie's direct hit from side on (which I gave not-out in a benefit of the doubt moment favouring the batsman!) Hopefully we all learnt that little bit more about playing the game and we can show improvement each week, as well as having some fun. Let's keep it up for the rest of the season. Go Hawks!</p>

	Levi Niven	1/11	
Fielding: Nell Schoemann Jr 1 catch; Liam Neill 1 run-out; Levi Niven 1 run-out			
<p><b>MATCH REPORT:</b> A good start to the season with some solid batting displayed by our top order by not losing a wicket until the 15<sup>th</sup> over. On a very overcast day and a slow outfield some great batting by Flynn, Sam and Cooper set us up with a very competitive total. Well done to Mitchell with his 3 wickets to help restrict the opposition to 92 but it could have been a lot lower if we took all our run out and catching chances. Looking forward to a good season ahead.</p>

	Jett Barker	1/4	
	Luke Sentance	1/6	
<b>Fielding:</b> Noah Langley 1 x catch and 1 x RO			
<p><b>GAME REPORT:</b> With 18 from the first two overs the Falcon Hawks did an excellent job in keeping the Toombul side to a total of 130 from their full 26 overs. The bowlers worked well in pairs with Jack being well supported in the field to snag his first 2 weeks of the season. Jett kept things tight with only 4 coming from his 3 overs and taking the bails off the stumps with his magical off spin. A massive shout to Rudrodipto for getting his first wicket for the Falcons Hawks. As one of the new Falcons Rudrodipto smashed the stumps over and was swamped by his team mates in celebration at the centre of the wicket. At the break the clouds started to form, and with rain falling, Jack, Angus and Noah smashed the ball to all corners with Jack getting the honour of first 6 of the season with the team reaching the Toombul score in the 17<sup>th</sup> over. Some solids cover drives by Luke S at the death brought the Falcons home with 179 runs with the loss of only 3 wickets. A brilliant start to the season and some great new friendships being formed.</p>

<p><b>MATCH REPORT:</b> Great start from the boys for the shortened first match of the season. After being put into field we bowled well keeping it tight. The opposition managed to dominate the middle of the game with our boys finishing strongly. An excellent catch by Sriram as wicket keeper for the first wicket and Thomas knocking the stumps over with his first ball. Thanks to Cameron and Elijah for turning up to support the boys.</p>

<b>MATCH REPORT:</b> The Sea Hawks got off to a great start to the season with a strong all round performance. The performance was led by Mitchell Graham who scored 118 and bowled for 1/10 off 2 overs. While there were small rain interruptions during the one day game, the boys pulled together a great performance. It was excellent to see the two Albany Creek teams enjoy their innings and the sportsmanship between the teams was also outstanding.

<p><b>GAME REPORT:</b> We won the toss and we opted to bat. The new outfield was very slow and resulted in a very low scoring game. Our bowling attack was disciplined with their length not giving away any easy points. Despite the result it was a great way to start the season, played with great sportsmanship.</p>
