The President's Bat

Welcome to the last Hawk Talk for the 2020/2021 season.

Last weekend saw the completion of our season. It was cut short for several teams as wet grounds made cricket impossible.

This year we had four teams winning BNJCA Premierships. Prior to Xmas our U14 Falcons coached by Matt Langley and the U14 Night Hawks coached by Ross Duncan and Rod Shaw won their respective comps. After Xmas, the U14 Night Hawks completed the double and the U14 Eagles coached by Nell Schoeman and the Open Falcons coached by Francois Basson also won their comps.

We had eighteen boys who were selected in Brisbane North representative teams which played all over the State before and after Xmas. These players made wonderful contributions to their rep teams and I am sure their club sides have benefitted from their experience.

Of our three senior teams playing in the Warehouse competition, two made it through to the semi finals which are to be played this coming weekend. Hopefully, the weather will relent by then and allow some play.

At this time of the year there are many people to thank as clubs of our size do not just happen. To all the people on the committee and their partners/spouses, I thank you for the countless hours of dedicated service. Eddie Mills has been tireless in her efforts with the Hawk Talk, and in her role as Warehouse Registrar. Jonathan Thomson and Carl Holder have assisted me each Friday in preparing the pitches for our little guys. Peter McFarlane has kept our web site maintained. Leon Marais and Francois Basson have excelled in their roles as Treasurer and Secretary respectively. I would like to say a special thank you to my wife, Kathy who has been Registrar this year as well as being the Club Statistician. She has been responsible for the compilation of our trophy lists for the Presentation. Our club would not be the same without all her unseen activities. Last year BNJCA acknowledged the work that Kathy does for our club and the BNJCA by making her the first ever female Life Member. This Summer has been particularly difficult for her as she was my primary carer nursing me through some health issues over the past three to four months.

The Ian Healy Cup was very successful again this year and I would like to thank Kathy Casey, Peter McFarlane and Ross Duncan for their efforts throughout the week. Thank you one and all.

A special thanks also to all our coaches and managers who have put in the hard yards on a weekly basis. Many of these people have been at the club for five or six years or more and their contribution has been invaluable. The fact that these coaches keep coming back says a lot for us as a club and is responsible for the stability and confidence that you as parents have in the care that they exercise over your children.

To all the parents who have assisted with scoring and generally organising the players on Saturday morning and Friday nights, I extend a huge thank you.

Our major sponsors LJ Hooker of Albany Creek and Acorshe Cleaning Solutions have certainly allowed us to keep our fees down and thus keep more children on the fields. We have several minor sponsors as well whose ongoing commitment to the club are much appreciated. Please continue to support these wonderful local people. Thanks for your support.

I would like to congratulate all those players who will receive trophies on Sunday. They would not have received those awards unless their team-mates took the catches or stayed with them while they were batting. You are all winners. Well done! Thanks to the players for the way you played the games throughout the season.

Good luck in the winter months and I hope that everyone stays safe and healthy.

How Are The Winners Of Team Trophies Determined??!!

At the end of the season, there are three trophies awarded to each team:

- ◆ Batting Award
- ◆ Bowling Award
- ◆ Coach's Award

The award recipients are determined based on the following principle:

- ◆ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ◆ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ◆ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The Top 50% Run Scorers and Wicket Takers

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Throughout the season, we prepare over 600 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll re-issue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

| <p>FIELDING: Training this week we practiced fielding the ball fast and getting it back in fast and the team demonstrated how well they practiced. We had zero overthrows this week. The team had to work extra hard being a little short on numbers. Was good to see everyone chasing down possible boundaries.</p> | | |
| <p>GAME REPORT: Another tight game against this team. Our bowling was accurate and a few players have shown a huge improvement over the last two weeks. Jack and Harry with their bowling, Parker and Aarya with their wicket keeping, Santi, Ayla and Flynn with their catching and fielding. We still have to work on our running between wickets and not aiming to hit every ball to the boundary as well as reducing number of dismissals. But all round a great game today. | <p>GAME REPORT: Another close game with a well matched opposition. The scoring has been difficult over the last couple of weeks with the lush, wet grass limiting the boundaries. The bowling was accurate again, although for little reward this week. Special mention to Pranay who, if LBW was permitted, would most definitely had a hat-trick.</p> | | |

| <p>GAME REPORT: The Sea hawks won the toss and, electing to bowl, showed great focus and determination in the field from the first over. The boys are backing up naturally now, encourage one another and consistently taking great catches. Special mentions include Sam's screamer of a caught and bowled and Ryan, Harvey and Jordan's safe hands all contributing to Harvey's first hat-trick. There were solid batting performances throughout the team this week with Jordan, Ruben and Ryan all warranting a special mention with scores exceeding 30 (facing just 13-14 balls).</p> | | |

Following this Veer, Aarav, Tanish, including others, made great contribution by adding more to the score, leading to a total score of 93 runs. Great batting and bowling by the boys, it looked like it was a tough score to chase as the other team stumbled in the beginning by losing some quick wickets, however their resilience and good batting from some of their players led to them to winning the match. It was a close match, Well Done Boys! you all are getting there. Player of the match this week went to our star performer Eamon who scored 23 runs, bowled 4 overs, gave only 10 runs and took 4 wickets. Excellent job Eamon, Keep It Up!! | | | |

FIELDING: Really great wicket keeping from Ryan and Julian this week as well as a couple of great catches in the outfield from Jordan and Julian.

GAME REPORT: The boys were sent in to bat first and soon discovered how challenging the slow, wet outfield made making the boundary. A special mention to Jordan with an impressive 27 runs, with 19 coming from the final over. The game was anyone's after 10 overs but solid bowling and fielding by the Sea Hawks slowed their run rate considerably and they were able to pull through on the day. Well done Sea Hawks!!

A dominating display of 74 (not out). Jack O'Sullivan and Oliver Paulsen were solid in ensuring a very high first inning total for the Eagle Hawks. The Eagle Hawks bowling was fantastic. Bowling the Cyclones out twice was just a reflection of the teams bowling and fielding display. William Carr took four wickets in the match and Jack O'Sullivan three. Well done Eagle Hawks on a fantastic game and you are playing such wonderful cricket as a top team. Man of the match went to Xavier on the first day and William on the second. | | | |

FIELDING: The Night Hawks lost the toss and were sent in to field. Sharp bowling on Day1 put the Greens under plenty of pressure on a difficult batting strip. Shoni removed the bails twice and was supported by the first of two great catches from Lucas. Aiden Grim had a caught behind, Shoni a catch in the field and James John and Shoni each with a runout. Lachlan Crooks' bowling was the highlight of Day2 with Lucas Johnson pouching yet another catch and James John with a terrific runout.

GAME REPORT: The Hawks effort in the field on Day 1 was the difference, dismissing the Greens for 48 and ending with 4/84 themselves. Greens were stronger Day 2 with 5/64 (Total 112). The Hawks batted through 39 overs for their match winning total of 134 before adding a further 29 runs albeit it spending a lot of wickets to do so (8). A good win to the Hawks with all players contributing on both days. **MVPs:** Day 1 – Shoni Pyne; Day 2 – Lachlan Crooks & Riley Hosking

Batting on the second week our consistent scores, Louis and Jonathan fell for reasonable low scores for them, but the rest of the team, stood together, dug their heels in and made a game out of it, scoring 227 in the 55 overs with all players scoring run. | GAME REPORT: On a damp wicket and outfield it as a good toss to win and choose to bowl. Ferny got off to a steady start losing their first wicket in the 6 th over for 12 runs, but then a couple of good partnerships got them over 100 runs before Vaishnav was brought back into the attack and, steaming in, took 3 wickets in 6 balls to rebalance the game, and along with Luke S cleaned up the tail to leave the Falcons chasing 215 on a glorious morning. However, it was not to be with the Falcons losing wickets regularly until some stubborn resistance from Noah and Luke S who both made it to 60 balls and retired, giving the other Falcons the catch to bring it home. But wickets kept falling and Luke and Noah both went back in needing 75 from 18 overs, with Noah being bowled in the 37 th over bring the game to an end. | | | |

| MATCH REPORT: The Eagle Hawks were sent into bat on a very slow pitch. Runs were hard to come by, however the significant take away from the innings was 5 players retired not out. They protected their wickets desperately and all the players showed great respect for their wicket. Something the coaching staff were very happy about. For the bowling innings the Eagle Hawks were magnificent again. Wickets were taken across the park. Two wickets to Nicholas and Chrystian and a wicket each to Jordan, Ikshan, Noah, Oliver and William. Another great match by the team Eagle Hawks. Some good consistent bowling from all bowlers saw a wicket each for the three noted above, as well as Lucas Johnson, Aiden Grim and Riley Hosking. Two great caught behinds to Lucas and Aiden were other exciting highlights! | | | |
| MATCH REPORT: The Hawks focus in Wk1 was batting out the long game and they did well against a strong bowling attack with the loss of only 1 wicket across the first 25 overs. Wk2 and the focus shifted to some balanced aggression and power hitting lead by Riley (5x 4's & a 6) and Ansh (4x 4's) saw a rapid lift in the run rate. Lachlan Crooks continued his good form with the bat and Ben Robinson's powerful six was his first for the season! A good effort from the Hawks across both weekends as they continue to build on all aspects of their game. MVPs: Day 1 – Lachy Crooks; Day 2 – Riley Hosking & Ansh Gidh | | | |

FIELDING: The team had 10 catches in the two innings of fielding with Nell Schoeman taking 3, Flynn Zahra and Eshaan Raman taking two each, and Liam Neill, Louis Marais and Jonathan Bowden Niven each taking one catch and a run-out by Prayag Joshi

GAME REPORT: Although we lost the toss, Redcliffe decided to bat on the first day. Nell had a wicket on the first ball and Sam followed up with another in the second and fourth over for a very good start in the field. Thereafter we had a bit of a quiet spell with the battings facing off most of our effort at a very slow run rate of 1.5 runs per over. After the drinks break the wickets started falling over at a very good pace, bowling Redcliffe out for 45 runs from 31 overs. Louis and Jonathan open the batting, with Louis retiring injured, Flynn and Nell join Jonathan soon after supporting Jonathan scoring a quick 62 from 50 balls. Sam followed up with a quick 14 of 14 balls. We end the day on 3/142 at close of play. Returning the next week to a wet outfield, we elected to declare our first innings and send Redcliffe into bat. As in the first innings Sam and Nell both took a wicket, and Eshaan and Louis followed up taking another three before the 10th over. After that we had a quiet spell up to the 25th over when Jonathan took his first wicket for the day. Liam to a catch of his own bowling and Nell took another catch soon after. Levi finished the match off with two wickets in his last over. Lastly a mention of Nell taking three diving catches in slip. Well done to all players on a very good performance, bowling Redcliffe out twice for less than 100 runs and winning with an innings and 49 runs

| <p>MATCH REPORT: With 2 of the team missing the Falcons had a tough decision after winning the toss. Electing to bat on wet, slow outfield might have been regretted when the Night Hawks had the Falcons at 3 for 6 in the 5th over. However, some stubborn resistance and sensible batting from Joshua P gat the Falcons to 70 before the last man was out. Sending the opposition in with only 9 fields meant there were plenty of gaps, but the Falcons held on until the 21st over before two mighty blows brought the night Hawks to 72 at the close of Day 1. With the two Falcons who were missing on day 1 back the game looked more balanced with the quicks taking 5 unassisted wickets with support from Joel, who bowled his season best figures. The early declaration was expected but never came and so the game was heading to a draw until some good catches in the outfield by the Night Hawks, but it was Josh P who again steadied the ship and finished the match with 42 runs without his wicket being taken.</p> | | | |

| <p>GAME REPORT: It has been a pleasure to see the Sea Hawks grow as players and a team this season. Stand out performances with the bat include a half century from 15 balls for Sam and a solid 39 from Ryan and a 31 form Jordan. A great team effort in the field led to the boys taking 22 wickets. There were at least 4 occasions when players were on individual (or team) hat-tricks with Harvey achieving his second for the season. Well done on a fantastic season Sea Hawks. | <p>FIELDING: The Hawks won the toss and elected to field. A difficult day in a wet field but Hawks didn't capitalise on the opportunities they were given. Runouts and dropped catch opportunities missed meant the Reds were able to score freely with wickets in hand. Shoni's speed bowling trapped one in front, otherwise it was a day of what could have been with ball in hand!</p> | | | |
| <p>GAME REPORT: A couple of good starts for the Hawks and Riley Hosking and Lachlan Crooks made a real dent early in the run chase. Ansh looked set before struggling to navigate a good ball, Lachlan's 27 (31) in difficult conditions was one of the stronger innings of the season and Riley was warming to the task nicely before a clever caught behind stopped his run. The game was another good one to watch with missed opportunities ultimately proving the difference in the result.</p> | | | |
