

Online Registrations 2019/2020 onwards

All junior player registrations must now be done via the MyCricket Online Registration process. This is designed to make it easier for you to register to play cricket and it also ensures that the insurance for players is only paid once per season regardless of where, for whom or in what competition they play. This process eliminates the need for completing registration forms for your child/children as you will be able to maintain their details in your MyCricket account.

Many of you have already used the MyCricket Online registration process and are familiar with it. For those who are new to the process, the information set out below will assist you in the Online Registration process.

If you hit a snag during this process, please contact us immediately so that we can help you through it.

Kathy Casey (MyCricket co-ordinator) 3264 2163 or 0412 353884 email sandkcasey@bigpond.com

How to Register Online

If you are using a FairPlay Voucher to pay for your child, please contact Kathy Casey (MyCricket co-ordinator) 3264 2163 or 0412 353884 email sandkcasey@bigpond.com as the registration needs to be managed using a different process to credit cards payments.

For credit card/debit card payments:

- Use the following link: <https://play.cricket.com.au/club/albany-creek-hawks-cricket-club/cd84de69-87d8-eb11-a7ad-2818780da0cc> or
- Go to www.playcricket.com.au and search for Albany Creek Cricket Club (refer to [How do I search for Albany Creek Cricket Club](#) for details).
- Select the registration product you require (refer to [Selecting the right product in MyCricket](#) for details)
- Enter your child's MyCricket ID and Password if already on MyCricket or click **Continue** in the **New Participants** area.
- Complete each step of the Registration Form ensuring you enter your special playing requests (refer to [Mandatory Information Required by the Club for Team Building](#) for details)
- Complete Final payment (this includes insurance) and Submit your registration

All registrations are supposed to use our Junior Registration template which has been set up with a couple of mandatory questions that will allow us to put your child in the appropriate team. If, by the end of the above process, you have not been asked to enter your special playing requests, can you please email us at acc@albanycreekcricketclub.com.au with the following information:

- Special Playing Requests (refer to [Mandatory Information Required by the Club for Team Building](#) for details)
- Is your child playing full season (Oct to Dec 2021 and Jan to Mar 2022) or half season only
- Shirt Size (i.e. 8, 10, 12, 14, S, M, L, XL, 2XL, 3XL) – only required if this is your child's first season with the club.

This is particular important for anyone registering for any of the **Master Blaster (Friday Night Cricket)** options as we are unable to utilise custom fields for those types of registrations in MyCricket.

Who needs to register?

Every individual player needs to be registered via this process. Registration forms will no longer be completed so it is important that the contact details and special requests for your child/children are up-to-date. Family discounts still apply across both the Friday and Saturday competitions (see the fee structure below).

The Online Registration process is not something we can complete for you – it requires an account to be set up or activated for each player and that account will be used for any future cricket registrations or updates. If your child has not played cricketed before, you will need to create an account for each child. If your child has played cricket for Albany Creek in the past, there will already be an underlying 'person' record in MyCricket and when you enter some of the initial information, the system will search for a possible match. You can then select the existing MyCricket Id and continue with the process.

Albany Creek Cricket Club Fee Structure

Set out below is our fee structure for the 2020/2021 season.

Full Season	\$195.00 + \$5.00 Insurance = \$200.00
Subsequent Player	\$130.00 + \$5.00 Insurance = \$135.00
Pre-Xmas	\$150.00 + \$5.00 Insurance = \$155.00
*Post-Xmas	\$140.00 + \$5.00 Insurance = \$145.00

(*This option won't be available Online until the beginning of December 2019.)

NOTE: The \$5.00 insurance fee is a one-off payment each season. If you were to register to play cricket elsewhere, e.g. indoor cricket or if you change clubs during the season, the insurance record would still be current and the fee would not be added again until you are registering for next season.

Mandatory Information Required by the Club for Team Building

Unlike previous seasons where you have been able to fill in forms with registration details, from this season onwards, **we will not know anything about your cricket requirements until the Online registration has been completed for each child in your family.** This highlights how important it is to complete the process correctly.

To assist us in putting the teams together, we have added a couple of mandatory fields to the MyCricket registration form. They are:

- **Enter any special playing requests**

This is where you put down any special requests you have. For example,

Same team as last season

(List of players you want to play with)

All girls team

You need to let us know if your child has been playing above their age and now wish to play in the correct age group, e.g. 'Play in correct age group'

Similarly, if your child wants to play above their actual age group, you need to let us know, e.g. play up in Under <enter age group>

Also, if your child is playing the under 12 competition this season, you need to let us know if you would prefer them to play in the junior format (9 players on field, 30 over one day games) or Pathways format (traditional game).

- **Are you playing full season (Oct to Dec 2021 and Jan to Mar 2022) or half season only**

You need to select from the following options:

Full Season

Pre-Xmas (Oct to Dec 2021)

Post-Xmas (Jan to Mar 2022)

- **Shirt Size**

If your child did not play with the club last season, you need to nominate the shirt size for your child. Shirts will then be organised in a pack for each team and delivered prior to the start of the season.

Unfortunately, we are not able to utilise these custom fields for any of the Master Blaster (Friday Night Cricket) options.

After you have processed your **Master Blaster (Friday Night Cricket)** registration, can you please email us at acc@albanycreekcricketclub.com.au with the following information:

- Special Playing Requests (refer to [Mandatory Information Required by the Club for Team Building](#) for details)
- Is your child playing full season (Oct to Dec 2020 and Jan to Mar 2021) or half season only
- Shirt Size (i.e. 8, 10, 12, 14, S, M, L, XL, 2XL, 3XL) – only required if this is your child's first season with the club.

Selecting the right product in MyCricket

It is really important that you contact us as soon as you hit a snag in the Online registration process.

For example, if you've forgotten your password and click the relevant link but then don't receive an email from MyCricket. In this instance, it probably means that the email address on the underlying person record is incorrect. We, as club administrators, will need to go into the background and change the email address before you can proceed. So you'd need to contact us and provide us with the relevant email address.

Also, there are some circumstances where the underlying record may be locked. We would need to intervene on your behalf to unlock the record.

As registration forms are no longer used, it is important that you register your child/children using the correct options in MyCricket.

Friday Night Cricket (U8 and U9)

The Friday night competition is for any boys or girls between the age of 6 and 8. All the relevant registration options for this group are listed under the **Master Blasters** section. Click on the arrow on the right-hand side of this option to display the types of registration available.

* Please note that the RRP \$99 referred to in the **Master Blasters** section above is for a 6 week program that is not offered by Albany Creek. Our program is 9 weeks before the Christmas holidays and 8 weeks after the holidays – 17 weeks in total. The Albany Creek program is also for children aged 6 to 8 (not 7 to 10). Any children aged 9 or 10 would need to choose a product in the **Junior Club Cricket** section.

The types of registration available are not very clear in Master Blasters as MyCricket don't allow us to change the **Group Name** for the various programs. Set out below is a detailed explanation of each type by cost:

- \$200.00 – full season player (Oct – Dec 2021 and returning Jan – Mar 2022)
- \$155.00 – half season player (Oct to Dec 2021 only)
- \$135.00 – subsequent family member (for the 2nd, 3rd, 4th child etc)

If any of your children are playing full season, the **first** registration should be made using the relevant full season option, i.e. **Master Blasters \$200.00** or **Junior Comp – Junior Full Season (Summer Season) \$200.00**. All subsequent children can then be registered using one of the subsequent child products, i.e. **Master Blasters \$135.00** or **Junior Comp – Junior Subsequent Player (Summer Season) \$135.00**. You should not register a half-season player and then use a subsequent player registration to register a full season sibling. Refer to [Worked examples for families with more than one player](#) below for illustrated examples.

Saturday Competitions (U10s to Opens) and Sunday Competitions (Girls U11, U13 and U15)

The registration options for our Saturday competitions for U10s to Opens and our Sunday competitions for the Girls competitions (U11, U13 and U15) are listed under the **Junior Club Cricket** section.
