Welcome to our first Hawk Talk edition for 2021/2022. I would like to send a special welcome to all those new families with the Hawks this season. This year we have 37 teams playing from U8 through to our Open division which is U16 to U18. This season, as with last season, we have two half season competitions, a pre –Xmas and post Xmas competition. With these two separate competitions before and after Xmas, it will be possible for your team to win two competitions throughout the full season. After Xmas when some players go off to play for their schools, we will re-arrange teams to fill any vacancies. This is usually only for teams from U12 upwards.

This year we will be again sending out the Hawk Talk electronically. This reduces costs and certainly takes a load off the time spent by our Editor, Eddie Mills. It also allows us more flexibility to highlight the various products of our very generous sponsors.

Thank you to all those people who have volunteered to be coaches or managers. This season we had to find several new coaches, mostly in the younger age groups, which says a great deal about our retention rate. The parents of this club appreciate the work that is being done by these wonderful people and have every confidence in the way their children are being cared for. Remember parents that this is your club and any help that you can offer makes life easier for coaches/managers/scorers and club officials. We are all volunteers.

On training nights, you can help out by being prompt when picking up children. Your team officials will not leave until all kids are collected, so be considerate to them. On game days support your team and the opposition in a positive manner. Our children will model our behaviour. Winning humbly is as important as congratulating the opposition when they are successful. Scoring and umpiring can sometimes be very stressful so please help your team by being supportive of those who have put their hand up to do the tasks that provide games for your children. I would not like to see cricket as being a child- minding service on Saturday mornings.

Thanks to Kathy Casey for all her admin work in getting coaches and managers set up as well as all the MyCricket duties which are necessary. I would like to thank all our committee people in advance for the great work which I know they provide this season.

Welcome back Andrew Phan and his Coffee van to our Friday Night competition. He offers a delicious variety of coffees and hot chocolates as well as sausage sizzles and hot chips.

Congratulations to our hard-working Registrar, Kathy Casey who has successfully placed over 380 boys and girls into those 37 teams.

Please be prompt with the match reports and stats reports that you send into Kathy or Eddie. All our trophies at the end of the season are directly dependant on your match reporting. No stats = No trophies.

I recommend that you support all the generous sponsors who make a significant contribution to our club and allow us to provide the excellent facilities and equipment to enable the players to achieve their playing potential.

At the end of the season, there are three trophies awarded to each team:

- ◆ Batting Award
- ◆ Bowling Award
- ◆ Coach's Award

The award recipients are determined based on the following principle:

- ◆ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ◆ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ◆ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award

It is important that match results and players statistics are recorded as soon as possible after each completed match. Lock-out rules apply for late submissions by the respective associations for all matches played in the U11 to Open Divisions.

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll re-issue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

GAME REPORT: Great first hit out for the team. Flynn Hall had his first game of cricket and did really well with both the bat and ball. Lewis Out played his first game for the Black Hawks after playing a couple of seasons of cricket at Albany Creek. The team amassed an exceptional number of runs for the first game of the season. Flynn scored the first 10 runs of his cricket career. All the other boys contributed some good scores. The boys had heaps of energy in the field and that showed in the number of runs outs they managed throughout the game. Most economical bowler for the night was George Robinson. Best Bowler for the night went to Hugh Lonergan. Hugh was on a hat trick and only missed narrowly. Easily Hugh's best bowling performance to date. A great team effort from all the boys and a big season ahead. Man of the Match (Batting) – Lewis Out; Man of the Match (Bowling) – Flynn Hall – Great bowling on his first

Outstanding bowling by Flynn with 2 wickets for 6 off 3 overs. Even though they didn't manage a wicket Jack, Eli and Santi were still economical with 8, 7 and 6 runs respectively from their overs. GAME REPORT: The first match of the season was a tough game for the boys against a better placed opponent who were better skilled in batting bowling and fielding. The boys tried hard with some good individual effort and some decent bowling spells, however the Lakes boys batting was exceptionally good. They scored briskly and made 201 runs by losing only 1 wicket. Hawks started well, but lost wickets quickly. 2nd Innings brought better performance from Hawks. Anish top scored with 19 and was nominated as Man-of-Match We've got some work to do but looking forward to the progress of the boys.

FIELDING: Excellent caught and bowled by Riley, while Aayush contributed to an excellent run out and Coby held on to a great catch in a 2-day game where the Hawks only managed 7 wickets			
GAME REPORT: What was a long 2 weeks in the field with the Hawks coming up against some very good opposition who posted 391 runs in one innings, the Hawks need to be congratulated with some players having their first competition game. Ikshu's first game of cricket had him retire with wicket in hand on 13 runs, proving hard to get out. While Hayden was the best with the bat contributing 30 including 7 fours and chipped in with the ball with figures of 1-4. While Coby and Riley finished with 2 wickets each, Eamon and Declan were the other wicket takers. Eamon was also not out in both innings contributing 17 & 12 respectively. The 2 nd innings was much better from the Hawks with only confidence needed with the bat and sundries being the second top score for the opposition, the Hawks can improve next game!

Bowling:	Ikshan Gupta	3/7

	Abhey Dhaliwal	1/4	

FIELDING: Catches to Abhey Dhaliwal (2), Oliver Paulsen, Chrystian Bowden, Adam Hogan, Will Hammond, Jordan Ruthenberg, Iskshan Gupta

GAME REPORT: Nice start for all the kids. First game of the season is out of the way and a win is a bonus. I think Ikshan taking 2 wickets in his first over was the turning point of the game. Combine that with plenty of runs scored by the top order with Abhay, Oliver and Christo contributing the most.

GAME REPORT: Great start to the summer season, batted the first day and everyone did really well to get the team to put 343 on the board. Defending that score on the 2nd day and bowled the opposition out for 155 on a very tough field to protect the boundaries. Our backing up was awesome, allowing us to attack for runouts which worked well. The Night Hawks won by 188 runs!!!!

FIELDING: Catches to Andy (2), Tyler (2), Conner, Dallas, stumping for Ryan, and runout assist to Harry B, in a great all round team effort.			
GAME REPORT: A small but handy target was setup by Andy's superb opener's knock, with support from Dallas at the top and Harry M and Tyler late in the innings. Great team effort with our bowling and fielding to have them all out for 103 (from 1-49). Kudos to Tyler and Markus for their bowling effort, and Dean for snaring a wicket with his 2 nd ball in cricket ever!! A good win for the boys to start the season off well. Go Sea Hawks!
