## The President's Bat

---

Welcome to our first Hawk Talk of the new year. We have many new people who have joined the Hawks over the Xmas period and I would especially like to welcome them and hope they are enjoying their cricket.

With the cancellation of all fixtures last weekend, the weather has been a big talking point. We were notified by MBRC that the grounds at South Pine were closed as from Thursday 24<sup>th</sup> February. When the rain came, BNJCA had no choice but to cancel all matches and then it became obvious that there would be no cricket.

I inspected the fields on Monday of this week and they are drying out so we should be good to go by this coming weekend. I have my doubts about some other fields. Mowing will be a huge issue as council and school grounds men may have trouble getting onto sodden grounds.

Sadly, many people in our city are going to have more pressing issues than getting their kids to weekend sport. Our thoughts and well wishes go to those people who have suffered flood damage to their homes and property.

Throughout the season, we prepare over 600 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll re-issue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

## Warehouse Cricket Winter 2022

Hello Hawks,

you can now register your interest for the upcoming Winter Season 2022. Players and / or teams can contact Lincoln Jones our Warehouse Registrar to express their interest and to request information.

Winter Cricket is available for:

Junior Teams Under 13 to Under 16, allocation is based on Summer age group eligibility.

Senior Teams are able to compete in Saturday and Sunday Competitions across a variety of grades, A Grade being the highest and C Grade being the lowest. Teams are graded by WCA based on player ability.

If you are interested feel free to click on the email link to get in touch with Lincoln

## IMPORTANT NOTICE TO PARENTS - TEAM PLACEMENT POLICY

We do not grade players at Albany Creek Cricket Club. It is the policy of the club to attempt to place players according to the individual requests of the players. If no special requests are made, players will be placed in the appropriate age group.

To make it simpler for existing players to register for the next season, we will provide pre-filled registration forms on our club sign-on weekend. Please note - the registration form and the club's webpage form provides a special request section, so that parents can make requests for team placement as per examples:

- *Same team as last year*
- *With Matthew Hayden*
- *With players from 'All Saints School'*

Registrations are also accepted by mail, email or via MyCricket and the Hawks webpage. Please note that registration forms must still be completed for the MyCricket option and forwarded to the Registrar.

Towards the end of each season we will publish the dates for next season's sign-on weekend in the newsletter and on the club's Webpage and Facebook page. We would also like to remind all parents to ensure that any changes in contact details are forwarded to the club to avoid missing out.

Increasing player numbers each year make the administrative task of organising teams more difficult. At the beginning of each season our registrar invests a great deal of time reviewing all player requests before allocating players to individual teams. This commences on Sign-on weekend and continues over several weeks, with new registrations and late registrations coming in right until (and sometimes well after) the season's first game. So please be sure about your special requests, it is extremely difficult to accommodate any late changes once the teams are formed. The process of sorting teams is long and involved and moving players around after it has started creates a logistical nightmare, especially since we also have to work around a deadline for nominating teams to the Brisbane North Junior Cricket Association.

We have in excess of nearly 300 players to keep happy, therefore if registrations are not received before and by the sign-on weekend, or the registrar is not advised of a player's intent to return and preferred playing arrangements, special requests can only be met if there is room in the nominated team.

*From: The Albany Creek Cricket Club Committee*

## GENERAL ADMINISTRATION

**Any Cricket Problems? All Committee phone numbers are listed on page 3:**

You have all had a little time to settle in and see how your team is going. Are there any problems? Please don't think now that the season has started that you are on your own. Phone and talk to any committee member or alternatively, approach your coach and we will try and fix what we can.

### Helmet Policy

It is club policy that all **Batsmen MUST wear a helmet** when batting. **Wicket-Keepers MUST wear a helmet if keeping up close to the stumps**, regardless of the style of bowling. This is a Cricket Australia and Brisbane North Junior Cricket Association rule and as such non-negotiable. **NO HELMET—NO PLAY!!**

### Batting Gloves Protectors

Zone Rules 2.2 (d), (e), (f), (g) & (h) require **ALL** players to wear protection when batting - helmets, pads and gloves are available in each team kit. All players are issued with a personal protector when registering and **MUST** use them.

### Safety - Wet & Cold

Playing cricket can be extremely hot, so please ensure that player safety is a priority when deciding on the need to leave the field for a spell or not. It is important to ensure that all players apply sunscreen before the match and re-apply during every break. Players should wear a wide-brimmed hat and take regular drink breaks throughout the innings. In the event of rain consider player safety when assessing the field conditions to avoid slipping and dangerous play. Do not commence the match if the oval is deemed unsafe and wait for conditions to improve or make a decision to possibly abandon the match if necessary. **DON'T PUT PLAYERS AT RISK!!!**

### Coach's Responsibilities

The coach runs the team. The coach is responsible for preparation of the players and control during the match. Batting and bowling orders are the coach's responsibility. It is recommended that from U13 upwards, a captain is appointed to run the team, particularly when fielding. The Hawks expect **ALL** coaches to have a basic Level 1 Coaching Certificate. It is the coach's responsibility to enforce the club's helmet policy and ensure that players wear all protective equipment as outlined above.

### Manager's Responsibilities

The manager assists the coach with the team administration. The manager should ensure that rostered parents are available to attend canteen duties (as required), act as umpires, scorers and generally assist players and team management throughout the game and training, i.e. organising batsmen to get ready. Managers are responsible for the publication and recording of match results and team statistics. U8 to U10 match abstracts are to be emailed to our statistician directly, U11 to Open Divisions must enter their match stats into the MyCricket online database. Under 11 to Open managers will also forward player of the round nominations to BNJCA as outlined in the coach's/manager's manual.

## How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ◆ Batting Award
- ◆ Bowling Award
- ◆ Coach's Award

The award recipients are determined based on the following principle:

- ◆ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ◆ The **Bowling Award** is decided next.

*(The winner of the batting award is not eligible for this award)*

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ◆ The **Coach's Award** is the third.

*(The winners of the batting and bowling awards are not eligible for this award)*

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

## How to calculate a Player's Average ?!?!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

### The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

### Important Message to all Teams!!!

The current season is nearing it's end and some very important admin duties must be completed in a timely manner by the team coaches and / or managers.

On behalf of our club statistician and newsletter editor, can we please remind everyone that match statistics and reports are submitted by latest Tuesday after each completed match. Maintaining those records is a time-consuming job and constantly reminding 30+ teams of that adds to the workload.

Statistics are vital to acknowledging player milestones and end of season award recipients, so please assist Kathy and Eddie, after all - 'They can't acknowledge what they don't know about!'

<b>FIELDING:</b> Run outs – George Robinson x 2		
<b>GAME REPORT:</b> Great game from the boys for their first outing for 2022. With everyone keen and ready to go and the much-anticipated return of Champion player Bailey Rigby, the game was always going to be a big one. On his return, Bailey led the way with some great bowling (4/2) with Levi and George both contributing to the wicket taking. George led the way in the field with two (2) run outs. All the boys contributed well as they do every week, with quite a few near misses. As always everyone contributed well with the bat, leading run scorers this week included the ever-consistent Levi, Lewis (a quiet 32 by his standards), and George. Well done boys.

	Sanjot Dhaliwal	3/16
	Michael Cogdale	0/7
<b>FIELDING:</b> Run out by Sanjot and Logan. Catches taken by Sanjot, Seth, Logan, Samuel, Kuwarjit		
<b>GAME REPORT:</b> Grey Hawks started the post-christmas season with the close win over Sandgate-Redcliffe Walters. We scored 120/4 with Seth and Sanjot highest scorers for the team. Samuel also bowled and batted well for his first match with the team. Kuwarjit was the best bowler of the team and took 3/5. Sanjot also bowled well and took 3 wickets. Good fielding by the team resulted in many catches and run outs which helped the team to win the match.
