## The President's Bat

---

Welcome to our first Hawk Talk for the winter season of 2022. I would like to especially welcome all the new families to the Hawks. During winter we get many junior players, in particular, who come from other Brisbane North clubs. I hope you have an enjoyable season. Winter is a great time to play cricket in Brisbane. No early morning rises and baking sun to contend with.

The weather hasn't been great for the start of our season. I certainly cannot remember a season where we have had this much rain. Most teams have only played one game or part of one game. On Saturday 29<sup>th</sup> May we only had one team which managed to play out of the 15 Winter teams. All the grounds around Brisbane are saturated and most have not been mowed for a few weeks. This means that the grass is thick and takes considerably longer to dry out.

Could I thank all those coaches who have put up their hands to coach our junior sides and the team skippers who are organising our senior teams.

Thanks to Lincoln Jones who has taken over the role of Winter Registrar.

Have a great season.

*Steve Casey*

## **Important Message to all teams from the Warehouse Cricket Association Statistician**

Teams are required to enter the following on the MyCricket web portal for every match, regardless of match played abandoned, completed or washed out:

- ⇒ Match Result
- ⇒ Team List
- ⇒ Match statistics available for the match

This information will form the basis of season award allocations for individual players, but more importantly, player eligibility for finals participation is based on recorded teamlists for each match played.

To determine the eligibility criteria, refer to the WCA Rules on the WCA webpage [www.warehousecricket.org](http://www.warehousecricket.org) and select Competitions from the Banner menu at the top of your screen
