The President's Bat

Welcome to our first Hawk Talk edition for 2022/2023. I would like to send a special welcome to all those new families with the Hawks this season. This year we have 35 teams playing from U8 through to our Open division which is U16 to U18. This season, as with last season, we have two half season competitions, a pre –Xmas and post Xmas competition. With these two separate competitions before and after Xmas, it will be possible for your team to win two competitions throughout the full season. After Xmas when some players go off to play for their schools, we will re-arrange teams to fill any vacancies. This is usually only for teams from U12 upwards.

This year we will be again sending out the Hawk Talk electronically. This reduces costs and certainly takes a load off the time spent by our Editor, Eddie Mills. It also allows us more flexibility to highlight the various products of our very generous sponsors.

Thank you to all those people who have volunteered to be coaches or managers. This season we had to find several new coaches, mostly in the younger age groups, which says a great deal about our retention rate. The parents of this club appreciate the work that is being done by these wonderful people and have every confidence in the way their children are being cared for. Remember parents that this is your club and any help that you can offer makes life easier for coaches/managers/scorers and club officials. We are all volunteers.

On training nights, you can help out by being prompt when picking up children. Your team officials will not leave until all kids are collected so be considerate to them. On game days support your team and the opposition in a positive manner. Our children will model our behaviour. Winning humbly is as important as congratulating the opposition when they are successful. Scoring and umpiring can sometimes be very stressful so please help your team by being supportive of those who have put their hand up to do the tasks that provide games for your children. I would not like to see cricket as being a child- minding service on Saturday mornings.

Thanks to Kathy Casey for all her admin work in getting coaches and managers set up as well as all the MyCricket duties which are necessary. I would like to thank all our committee people in advance for the great work which I know they provide this season.

We have a new coffee van on Friday nights. Welcome to Andrew and his family from Koffee & Mor. They had already had two successful nights and are looking forward to improving their menu and service as the season proceeds.

I would also like to thank ACE Netball Club who have offered the Hawks the use of their toilet block for the season. This is especially important for our little guys on Friday nights who had to cross the road between our field and the old toilet block.

Congratulations to our hard-working Registrar, Kathy Casey who has successfully placed over 360 boys and girls into those 35 teams.

Please be prompt with the match reports and stats reports that you send into Kathy or Eddie. All our trophies at the end of the season are directly dependant on your match reporting. No stats = No trophies.

Weather reports for this Pre-Xmas season are not good. We may have a few washouts. Unfortunately cricket is an outdoor game so we have to grin and bear it.

I recommend that you support all the generous sponsors who make a significant contribution to our club and allow us to provide the excellent facilities and equipment to enable the players to achieve their playing potential.

Good luck to all our players who are currently involved with representative trials for Brisbane North Junior Cricket Association.

On behalf of the Hawks' committee I would like to wish you all an enjoyable season.

Steve Casey

The Sponsor's Spin

We sincerely thank Jason & Melinda Chandler of L.J. Hooker Albany Creek/Warner our club shirt sponsor; Cassie & Corie Morrad of ACORSHE, our shirt sleeve sponsor, for their valued support and hope that their businesses grow as a result of their association with the Albany Creek Hawks Cricket Club.

We recognise the fantastic contributions of our valued sponsors.

**On behalf of the Albany Creek Hawks Cricket Club
we sincerely thank**

**L.J. Hooker Albany Creek
ACORSHE
and**

**Audit & Tax Accountants Albany Creek,

We look forward to all our sponsor's continued support.

We have many businesses that sponsor our club and this has enabled us to provide a sport at a reasonable cost and at the same time to keep your club financially sound.

With much appreciated help from our sponsors, your club is able to provide you with an excellent standard of facilities at a comparatively low cost and we will strive to continue this in the future.

Please express your appreciation for the sponsor's.

IMPORTANT NOTICE TO PARENTS - TEAM PLACEMENT POLICY

We do not grade players at Albany Creek Cricket Club. It is the policy of the club to attempt to place players according to the individual requests of the players. If no special requests are made, players will be placed in the appropriate age group.

To make it simpler for existing players to register for the next season, we will provide pre-filled registration forms on our club sign-on weekend. Please note - the registration form and the club's webpage form provides a special request section, so that parents can make requests for team placement as per examples:

- *Same team as last year*
- *With 'Sandy Wicket'*
- *With players from 'XYZ School'*

Registrations are also accepted by mail, email or via MyCricket and the Hawks webpage. Please note that registration forms must still be completed for the MyCricket option and forwarded to the Registrar.

Towards the end of each season we will publish the dates for next season's sign-on weekend in the newsletter and on the club's Webpage and Facebook page. We would also like to remind all parents to ensure that any changes in contact details are forwarded to the club to avoid missing out.

Increasing player numbers each year make the administrative task of organising teams more difficult. At the beginning of each season our registrar invests a great deal of time reviewing all player requests before allocating players to individual teams. This commences on Sign-on weekend and continues over several weeks, with new registrations and late registrations coming in right until (and sometimes well after) the season's first game. So please be sure about your special requests, it is extremely difficult to accommodate any late changes once the teams are formed. The process of sorting teams is long and involved and moving players around after it has started creates a logistical nightmare, especially since we also have to work around a deadline for nominating teams to the Brisbane North Junior Cricket Association.

We have in excess of nearly 400 players to keep happy, therefore if registrations are not received before and by the sign-on weekend, or the registrar is not advised of a player's intent to return and preferred playing arrangements, special requests can only be met if there is room in the nominated team.

GENERAL ADMINISTRATION

ANY CRICKET PROBLEMS? - ALL COMMITTEE PHONE NUMBERS ARE LISTED ON THE COMMITTEE PAGE

You have all had a little time to settle in and see how your team is going. Are there any problems? Please don't think now that the season has started that you are on your own. Phone and talk to any committee member or alternatively, approach your coach and we will try and fix what we can. Do not use Facebook as point of contact, the page is for news only.

HELMET POLICY

It is club policy that all **Batsmen MUST wear a helmet** when batting. **Wicket-Keepers MUST wear a helmet if keeping up close to the stumps**, regardless of the style of bowling. This is a Cricket Australia and Brisbane North Junior Cricket Association rule and as such non-negotiable. **NO HELMET—NO PLAY!!**

BATTING GLOVES PROTECTORS

Zone Rules 2.2 (d), (e), (f), (g) & (h) require **ALL** players to wear protection when batting - helmets, pads and gloves are available in each team kit. All players are issued with a personal protector when registering and **MUST** use them.

SAFETY - WET & COLD

Playing cricket can be extremely hot, so please ensure that player safety is a priority when deciding on the need to leave the field for a spell or not. It is important to ensure that all players apply sunscreen before the match and re-apply during every break. Players should wear a wide-brimmed hat and take regular drink breaks throughout the innings. In the event of rain consider player safety when assessing the field conditions to avoid slipping and dangerous play. Do not commence the match if the oval is deemed unsafe and wait for conditions to improve or make a decision to possibly abandon the match if necessary. **DON'T PUT PLAYERS AT RISK!!!**

COACH'S RESPONSIBILITIES

The coach runs the team. The coach is responsible for preparation of the players and control during the match. Batting and bowling orders are the coach's responsibility. It is recommended that from U13 upwards, a captain is appointed to run the team, particularly when fielding. The Hawks expect **ALL** coaches to have a basic Level 1 Coaching Certificate. It is the coach's responsibility to enforce the club's helmet policy and ensure that players wear all protective equipment as outlined above.

MANAGER'S RESPONSIBILITIES

The manager assists the coach with the team administration. The manager should ensure that rostered parents are available to attend canteen duties (as required), act as umpires, scorers and generally assist players and team management throughout the game and training, i.e. organising batsmen to get ready. Managers are responsible for the publication and recording of match results and team statistics. U8 to U10 match abstracts are to be emailed to our statistician directly, U11 to Open Divisions must enter their match stats into the MyCricket online database. Under 11 to Open managers will also forward player of the round nominations to BNJCA as outlined in the coach's/manager's manual.

How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ♦ Batting Award
- ♦ Bowling Award
- ♦ Coach's Award

The award recipients are determined based on the following principle:

- ♦ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ♦ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ♦ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average !?!!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Match Results and Player Statistics

It is important that match results and players statistics are recorded as soon as possible after each completed match. Lock-out rules apply for late submissions by the respective associations for all matches played in the U11 to Open Divisions.

Under 8's to 10's

Statistics and Game reports must be completed on the provided documents as advised during the pre-season meetings.

Please email those reports to:

Match Statistics - accs.stats@albanycreekcricketclub.com.au

Newsletter Reports - accs.news@albanycreekcricketclub.com.au

Under 11's to Open Divisions and Warehouse Teams

Match Results and player Statistics must be directly enter through MyCricket manually after each match or by using the live scoring apps.

Newsletter Reports can be emailed to accs.news@albanycreekcricketclub.com.au

Our Statistician relies on the submission of match statistics to accurately allocate season awards and to ensure players receive recognition on reaching career milestones as the occur.

The newsletter can not report on player achievements unless that is communicated to us via a game report. In a nutshell, we can not recognise what we don't know about. Significant milestones such as hat-tricks or centuries can also be by emailing a photo of the player to us for inclusion in the newsletter and to be posted on the club's Facebook Page (parental permission required for players under 18 years of age).

WET WEATHER ON MATCH DAYS

Brisbane North Junior Cricket very rarely makes a blanket cancellation as our reach extends from the city to Burpengary and being wet in one suburb does not mean the same in another.

Coaches/ Managers are advised to assess their home grounds prior to start of match and make a decision based on individual conditions.

Coaches/ Managers are advised to contact their opposition for match related information.

Friday Night Cricket: Grounds will be assessed in the early afternoon and match related decisions will be communicated to coaches/managers.

Unfortunately sometimes matches will be called off after teams arrive at the ground, that is rare to happen, but player safety and wellbeing is paramount and not negotiable.

THUNDER STORM 30/30 RULE

All coaches, managers, captains and anyone else with delegated responsibility for players, are instructed to exercise extreme caution during thunderstorms. The 30/30 rule is to be applied:

(a) if lightning and thunder are separated by a period of less than 30 seconds, the lightning is close enough to be a threat. You are to leave the field or training area immediately and seek shelter in a building or motor vehicle – *not under trees*.

(b) A period of 30 minutes should elapse before play is resumed, that is, after seeing the last lightning flash, wait 30 minutes before leaving shelter. If during this time lightning is again observed, contrary to the 30/30 rule, the 30 minutes will start again.

(c) Common sense should also prevail and caution must be exercised. If lightning is observed in your vicinity, leave the field. Do not hesitate to take the initiative and lead your players off if the opposition and/or umpires do not agree.

This regulation applies to all junior and senior matches. Safety of all involved is paramount and not negotiable

FIELDING: The White Hawks fielded well with 3 run outs and a few near misses.		
GAME REPORT: First match of the season the White Hawks showed some promising signs in the field with some good runouts and some near misses. Some great batting and bowling was on display as well. Some work on calling and running between wickets will come as confidence grows throughout the season. Looking forward to seeing the team develop over the coming weeks. Player of the match was Lucas. Well done Lucas!

FIELDING: Run outs – George Robinson x 2 Levi Ingram x 1, Bailey Rigby x 1, Rohan Nugent x 1, Darius Pienaar x 1		
GAME REPORT: Great game from the boys for their first outing for season 22-23. We'd like to welcome the new boys to the team – Rohan, Darius, Ayan, Charlie, and Max. Everyone contributed with both bat and ball. Our best bowler and Man of the Match in his first game for the Black Hawks was Rohan, a super effort with the ball considering it was also his first game of cricket. Well done, Rohan!! The boys are always jumping around like frogs in the field with George leading the way with two (2) run outs, and others by Levi, Bailey, Rohan and Darius. The ever consistent Lewis was our leading run scorer for the week with 33 off the bat. Great to see the longer boundaries don't worry Lewis with a couple of enormous sixes a feature of his innings. Everyone else contributed with the bat in what was again a great first up display. Well done boys it was great to see you all handled the transition to Saturday morning cricket with ease. We look forward to another exciting season ahead.

GAME REPORT: Great first game for the Gold Hawks. A lot of positives to take from our first game. Catching skills were a standout. Some things we can work on a training next week but overall, an awesome effort by the boys. Player of the match was Ethan Bredell. Fantastic game Ethan well done!

	Oscar Landsberg	15	15
Bowling:	Mehtab Sandhar	2/0	0/2
	Alfie Clarke	0/5	0/0
	Flynn Smith	1/5	0/3
FIELDING: When the Ferry best batter was hitting long we panicked and try to move all fielders to the boundary, this then meant quick runs and we weren't putting any pressure on to force a wicket. We need to trust our bowling and that we can force an error from the batter rather than trying to defend his best shot. Great effort by Charlie McCann, Levi McFarlane, Eli Tunguy-Desmarais and Santiago Mogollon in the field in this first game.			
GAME REPORT: A good start to the season with a win. This year we have to remember that we need to protect our wicket and the runs will come with more time at the crease. 4s and 6s don't have to be the only run scoring that we focus on. Great catches taken by Dominic Dwyer and Flynn Smith in the field and a spectacular one-handed catch by Riley Brannelly in his wicket keeping debut. For the first game of the season everyone played well and blew out the cobwebs after the off season.
