## The President's Bat

Despite all the doom and gloom of weather predictions we only missed one weekend due to wet grounds. There were however many grounds where playing shots and scoring runs was restricted by some thick outfielders. Hopefully after Xmas council mowing teams will be able to get on top of this task.

This week our main oval has been scarified, aerated and fertilised so it should be great in the new year. We have also repaired the run ups on both the north and south field and ask that you keep away from those affected areas for about three to four weeks. They have been cordoned off. MBRC has also asked that we keep off the main oval for a similar time.

From the 9<sup>th</sup> – 13<sup>th</sup> January Albany Creek Cricket Club will be hosting for Brisbane North, the Ian Healy Cup. This is an U12 Development Carnival with teams from all over the S-E corner of Queensland. Our club has been conducting this carnival for 25 years now and you will see many great young players of the future. You are most welcome to bring down your budding young cricketers.

Good luck to those 12 players from our club who will be competing in Brisbane North teams over the Xmas period. We know that they will be great ambassadors for the Hawks.

On behalf of the Hawks' committee could I wish you all a very merry and safe Xmas and a prosperous New Year.

*Steve Casey*

## How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ♦ Batting Award
- ♦ Bowling Award
- ♦ Coach's Award

The award recipients are determined based on the following principle:

- ♦ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions}, while the junior grades [U8—U10} are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ♦ The **Bowling Award** is decided next.

*(The winner of the batting award is not eligible for this award)*

The best average is used to determine the winner in senior grades [U11 to Open Divisions}, while the junior grades [U8—U10} are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ♦ The **Coach's Award** is the third.

*(The winners of the batting and bowling awards are not eligible for this award)*

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

## How to calculate a Player's Average !?!!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

### The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

FIELDING: Catch – Charlie Wallace		
<b>GAME REPORT:</b> Great effort from the boys this week, we took on a tough St Paul's team to go down in our first game of the year. With batting totals very similar, St Paul's managed to bag a few extra wickets and that proved to be the major difference in the end. But as always, we fought tough until the last ball!! Leaders with the willow this week were George, Max, and Bailey. All put together solid totals. With bowling figures of 2/22 Bailey led the way with the ball and also bagged the Man of the Match award. Well done Bail's. Other honorable mentions with ball in hand were Lewis, Darius, and George. A big shout out to Charlie who took a superb catch at cover off Darius' bowling. Well done, Chaps. The mums and dads are proud of your effort. We'll see you all next week.

<b>FIELDING:</b> Good lesson in the field on patience and paying attention. We had our opportunities but we didn't field well enough with missed catches resulting in the opposition's best batters being given multiple chances and allowing their score to build. Good fielding as wicket keeper by Flynn, Rusty and Levi and well done to Parker on his run out.			
<b>GAME REPORT:</b> First innings we lost too many cheap wickets, with not enough batters left to chase the opposition total. Good starts for Rusty, Parker, Charlie and Flynn. Congrats to Mehtab on almost reaching 50 and well done to Dom on his best ever performance with the bat. Our bowlers did a good job overall with several of our bowlers giving away very few runs including Alfie, Eli. Well done also to Santi and Oscar whose batting improved in the second innings.

FIELDING: Catches – George Robinson; Run outs – Levi Ingram		
<b>GAME REPORT:</b> We had a couple of our main men out this week in Bailey, Ayan and Darius but managed a great win over Ferry Districts who came out firing with the bat, The opposition batting ensured we would have to score plenty of runs if we wanted the win, and didn't the boys deliver with some great batting from Lewis, Rohan scored his highest total to date. Levi started slowly but came home strong to post a great score. All the boys contributed with the bat with Charlie producing his highest score to date as well!! Well done chaps, everyone is really proud of your efforts. Wickets were definitely hard to come by, but some great bowling from George, Rohan and Lewis meant we maintained our usual high standards. The Man of the Match award this week went to George for the best allrounder with both a great batting (30) and bowling display, one wicket included a great caught and bowled! Great keeping by Charlie and Max ensured we kept the runs to a minimum, Levi continued to show his fielding prowess with a great runout. Well done everyone and thanks to all the families for your support in 2022. We can't do it without you all. On behalf of Cam, Ben and Vanessa we'd like to wish you all a happy and safe break and look forward to seeing you all return in 2023.

<b>FIELDING:</b> A tough windy day for bowling meant a lot of wides but the team took 7 wickets with some great fielding by Leo with a direct hit run-out with one stump to aim at.		
<b>GAME REPORT:</b> A good batting effort to round out the half-season with 7 of the 8 players all getting double figures. With the storm clouds approaching, we wrapped up our bowling with Lucas getting 3 wickets in the second last over. It was a great half-season for the U10 Red Hawks, only losing one game, but more importantly, everyone had a heap of fun. To Samar, Tanvir, Ava and Jimmy, good luck for the second half of the season with U10 White and we hope to see everyone back next year.

<b>FIELDING:</b> Another great catch by Cael Burke and a runout, a great stumping and catch by Tristan Jones, and great run out by Seth Munro off his own bowling. Fielding and backing up has improved dramatically, well done.		
<b>GAME REPORT:</b> Great win to go into the Christmas break. Sensational partnership between Abel and Cael. Abel, Cael and Oliver all got their highest scores of the season. Tristan and Seth top the bowling stats once again, great stuff boys, but special mention again to Louis O'Connor with his first wicket of the season (on his first ball today), and very economical figures. <b>FIELDING:</b> Well done to Alfie for his efforts behind the stumps – for a very new player to cricket and having not played wicket keeper before to be able to catch the fast balls to stop any byes was outstanding.		
<b>GAME REPORT:</b> Good to be back at home at Sargeant's reserve for the last game of the half season. We bowled really well to keep the opposition to a small total on a field with shortened boundary. We opened with our spin bowlers Levi, Mehtab and Oscar. Well done to Charlie who was our most economical bowler with 0/1 off 2. A special mention to Flynn and Parker who not only faced but confidently defended against possibly the fastest bowlers we've seen this season.
