'Supporting your local community'

The President's Bat

After the long-range weather forecasts of a very wet summer we were relatively unscathed and only missed one Friday night and some games in this Post Xmas season. Those games were last weekend. Many teams were still able to play.

We had eleven boys and two girls who were selected in Brisbane North representative teams which played all over the State before and after Xmas. These players made wonderful contributions to their rep teams and I am sure their club sides have benefitted from their experience. We will acknowledge them on Sunday at the presentation. At the recent BNJCA Stage One trials for U12 – U15 we had several more players who progressed through to Stage Two trials later in the year and I would like to wish them well.

All three of our senior Warehouse teams are currently playing in Semi-Finals. Most of these players spent many years playing in the junior ranks here at the Hawks. Thank you to Lincoln Jones for all his efforts as the Warehouse Registrar / Co-ordinator. He will be busy over the next few weeks getting our Winter teams ready.

At this time of the year there are many people to thank as clubs of our size do not just happen. To all the people on the committee and their partners / spouses, I thank you for the countless hours of dedicated service. Eddie Mills has been tireless in her efforts with the Hawk Talk. Paresh Khatri and Jonathan Thomson have assisted me each Friday in preparing the pitches for our little guys. Peter McFarlane has kept our web site maintained. Leon Marais and Francois Basson have excelled in their roles as Treasurer and Secretary respectively. Craig Grecian has always put his hand up to help out with those jobs around the club which get done. I would like to say a special thank you to my wife, Kathy who has been registrar this year as well as being the club statistician. She has been responsible for the compilation of our trophy lists for today's Presentation. Our club would not be the same without all her unseen activities.

The Ian Healy Cup was very successful again this year and I would like to thank Kathy Casey, Peter McFarlane, Leon Marais and his son Louis for their efforts throughout the week. Thank you one and all.

A special thanks also to all our coaches and managers who have put in the hard yards on a weekly basis. Many of these people have been at the club for five or six years or more and their contribution has been invaluable. The fact that these coaches keep coming back says a lot for us as a club and is responsible for the stability and confidence that you as parents have in the care that they exercise over your children.

To all the parents who have assisted with scoring and generally organizing the boys on Saturday morning and Friday nights, I extend a huge thank you.

Our major sponsors LJ Hooker of Albany Creek and Acorshe Cleaning Solutions have certainly allowed us to keep our fees down and thus keep more children on the fields. We have several minor sponsors as well whose ongoing commitment to the club are much appreciated. Please continue to support these wonderful local people. Thanks for your support.

I would like to thank Cr. Cath Tonks who has been instrumental in working with the MBRC to get our two fields here at South Pine mowed to a much better standard. It has been a long battle and I think most players and supporters would agree that the grounds and surrounds are in great condition.

I would like to congratulate all those players who received trophies. They would not have received those awards unless their team-mates took the catches or stayed with them while they were batting. You are all winners. Well done! Thanks to the players for the way you played the games throughout the season.

Good luck in the months ahead and I hope that everyone stays safe and healthy.

LATE ARRIVALS -

Please wait until the event is finished before approaching club officials for your award!!!

How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ♦ Batting Award
- ♦ Bowling Award
- ♦ Coach's Award

The award recipients are determined based on the following principle:

- ♦ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions}, while the junior grades [U8—U10} are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ♦ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions}, while the junior grades [U8—U10} are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ♦ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average !?!!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.
