The President's Bat

Welcome to our second Hawk Talk for this 2023 Winter season. Those of you who played last year will well remember all the wet weather washouts that we had last winter. What a difference a year makes? So far this season we have had some rain interruptions for the first round at Marchant Park only so most teams have enjoyed playing every Saturday. We also had one washout on a Sunday fixture.

With the lack of rain, we have had several dry tracks to play on. We have also had a win with the MBRC with regards mowing our two South Pine fields. Council is now mowing both fields on Monday and Friday. As a result, there have been many scores over 300 runs on what used to be a low 200 ground.

So far this season we have had eleven centuries scored by our players with nine of those being scored by our juniors. Most teams are well on track to feature in the finals. Remember that in a six- team competition, the top three teams play in the semis with the winner of 2 v 3 playing the top side in the GF. Our U12 teams will play a four team final series. (1 v 4, 2 v 3) with the two winners playing in the GF. This is the same for our U13 teams which play in an eight- team comp.

It is important to realise also, that most of the Grand Finals are played on the one weekend, 26th & 27th August. In the past we have had clashes with football grand finals being played on that Sunday.

Thanks again to all the coaches and managers who assist in getting teams on the field each week. With the school holidays currently in progress, many teams are going to be short over the next few weekends.

Good luck for the remainder of the season.
