The President's Bat

Welcome to our final Hawk Talk for the 2023 Winter season. This season has been the complete opposite of last year's season. Last year we were plagued by wet weather and this year hardly any rain at all. Hopefully this will hold out for the next three weeks.

The semi finals start next weekend with five of our junior teams and two of our senior Saturday teams lining up to contest the flags for their divisions. In the Sunday competition our C1 and C2 boys will play in their Grand Final this weekend. Good luck to all those teams and commiserations to those teams which have missed out.

This year we had a record number of centuries scored. At last count it was 19 centuries. There is a correlation to the dry, fast grounds available for most games. We also have 1 x 7 wickets in an innings, two x five wickets in an innings and two hattricks. Hopefully more to come during the Finals series. Check in the Hawk Talk for more details of these amazing efforts.

On behalf of the Hawks' committee could I sincerely thank all the players, parents and supporters for their efforts throughout the season. Thank you also to those junior coaches and managers and the senior skippers who have managed to put teams on the field each week. Great effort guys.

Well done to our Winter Registrar, Lincoln Jones, who organized all the teams back in April. Kathy Casey has co-ordinated all the ground fee payments whereby the club has been able to settle fees at the end of the season and not rely on chasing families each week. Kathy will also sort out our trophy recipients. Thanks again to Eddie Mills who has edited our Hawk Talk in such a professional manner.

We will be organizing trophies for the teams at the completion of the Grand Final weekend (26th/27th August) and I will keep you posted on that.

Many of our junior Winter players go back to their normal summer clubs after this season so I would like to thank them for their contribution to Albany Creek over winter and wish them well. We would certainly love to see you back next year.
