# The President's Bat

---

Welcome to our first Hawk Talk of the new year. We have many new people who have joined the Hawks over the Xmas period and I would especially like to welcome them and hope they are enjoying their cricket.

The weather at the moment has been testing with many games washed out last weekend and the possibility that the same could happen this coming weekend.

We do however, always have grass problems at this time of the year with council mowing crews struggling to get on top of the long grass. This is particularly so in Brisbane City Council parks. Thank you to all those players and officials who have battled on regardless and we have lost no kids in the long grass. Some draws have also been affected by schools undergoing oval maintenance and we have had to divert games to other available ovals.

This time of the year is always very busy around the South Pine precinct with most football codes now conducting training sessions so please be attentive when driving around the southern part of our grounds near the toilet block. There are little tackers everywhere in a rush to get to footy training and paying little or no attention to traffic.

It has also been obvious in some of the older age groups that many teams have had to play short in this Post Xmas comp. This has mainly been brought about by boys going to private schools and finding out in their first week of school that they are now required to play for their school cricket teams. Unfortunately by then, all teams have been full and teams put into BNJCA draws. I have heard many reports from several of our BNJCA clubs of similar circumstances.

We do ask parents who are sending their sons to private schools like Padua, St Pauls, Nudgee and Marist College to let us know well before Xmas that they will be playing for their schools in the new year. This allows our registrar time to re-organise from three teams in an age group back to two etc. The committee would like to thank those teams battling with smaller numbers.

Luckily we haven't had too many hot days.

*Steve Casey*

# The Sponsor's Spin

We sincerely thank Jason & Melinda Chandler of L.J. Hooker Albany Creek/Warner our club shirt sponsor; Cassie & Corie Morrad of ACORSHE, our shirt sleeve sponsor, for their valued support and hope that their businesses grow as a result of their association with the Albany Creek Hawks Cricket Club.

We recognise the fantastic contributions of our valued sponsors.

**We look forward to all our sponsor's continued support.**

---

We have many businesses that sponsor our club and this has enabled us to provide a sport at a reasonable cost and at the same time to keep your club financially sound.

With much appreciated help from our sponsors, your club is able to provide you with an excellent standard of facilities at a comparatively low cost and we will strive to continue this in the future.

Please express your appreciation for the sponsor's.

## Hello Hawks—We Need Your Help

We are currently investigating the installation of a LED scoreboard on our North Field at SPSC (a.k.a. Number 1 Oval). This is a significant investment for the club, and we are trying to minimise the expense and maximise the outcome for our club.

We are a large community club and as such we hope that amongst our members are knowledgeable people who are willing to contribute to our project with their expertise and knowledge to help us get 'Project Scoreboard' over the finish line.

Ideally we are hoping to get assistance for the following stages of the project:

- ◆ RPEQ design of the structural sign/scoreboard support
- ◆ RPEQ design of the structural concrete footing
- ◆ Drafting Requirements to comply with council building approval regulation as required
- ◆ Licensed Tradesperson, i.e., Builder, Electrician, Concreter
- ◆ Licenced Machinery Operator for the excavation and construction of the concrete footing, i.e., Crane, Excavator, Bobcat
- ◆ Installation of the structural scoreboard support and LED scoreboard

The Albany Creek Hawks CC will take financial responsibility for the cost of the proposed project. We are asking for volunteers to keep the project cost down where possible and with a view to support local businesses before engaging in a process to outsource to other businesses not affiliated with the Hawks.

If you feel that you can assist us, please feel free to contact us by email with your details and how you can help. One of our committee members will be in touch to discuss details with you.

**RESPECT**

**BEFORE  
YOU  
COMPLAIN...**

**...Have You  
Volunteered Yet?**

The Hawks Committee is extremely proud of and grateful for all our volunteers who generously donate their time and knowledge to make us the club we are.

Our club is built on the foundation of love for cricket, respect and sportsmanship. Every club representative is entitled to equal treatment, regardless of ability, gender and ethnicity.

Please treat your team coaches, team managers, team scorers and match umpires with the courtesy and respect they deserve. Remember, they have volunteered to look after your child at training and on match days.

Criticism of decisions made by those volunteers is not fair and disrespectful. We also frown on sideline umpiring, real umpires are in the middle of the action and have the best view. Disregarding requests and directions given by those officials is extremely disrespectful. If you feel you can do better, you do have the opportunity to volunteer and with assist the team management, so please feel free to raise your hand to do just that instead of criticising.

Remember, our children mirror of our behaviour! Be mindful of yours when you are at a cricket match and/or training.

We appreciate your cooperation.

## How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ♦ Batting Award
- ♦ Bowling Award
- ♦ Coach's Award

The award recipients are determined based on the following principle:

- ♦ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ♦ The **Bowling Award** is decided next.

*(The winner of the batting award is not eligible for this award)*

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ♦ The **Coach's Award** is the third.

*(The winners of the batting and bowling awards are not eligible for this award)*

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

## How to calculate a Player's Average !?!!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

### The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

	Harrison Madge	22
	Jake Patterson	19
Bowling:	William O'Brien	2/41
	Jake Patterson	0/14
	Ben De Luchi	0/19
<b>FIELDING:</b> Congratulations to the team for awesome fielding this week, 10 run outs, one bowled and another catch at mid-off.		
<b>GAME REPORT:</b> Awesome game from the team tonight along with missing two of their players. Huge batting display by Linkoln and all getting into double digits with the runs. Biggest improvement by the Blue Hawks was, that we only lost three wickets in the innings – made a large difference in the outcome by taking fifteen wickets against the Black Hawks.

	Martin Smith	23
Bowling:	Parker Bennetts	0/4
	Isaac Burgess	0/17
	Henry Kriesch	0/21
<b>FIELDING:</b> While it was a night of run outs for both teams, Isaac has entered the post-Christmas season with the same fielding accuracy as he left off in 2023, hitting the stumps for a run out on multiple occasions and from all positions in the field.		
<b>GAME REPORT:</b> The team did really well for their first hit out since the Christmas break. The Green Hawks batted first and posted 178 runs. It was a strong batting performance with Lincoln finding the boundary on multiple occasions, Parker Bennetts hitting a 6, Hannah finishing her innings strongly with two boundaries to reach 23, Martin starting the season with a boundary on his first ball, combined with some great running between the wickets to end on 23 and Henry Kriesch getting 17 runs in his debut game. Joe put his hand up to assist the Grey Hawks, scoring 42 with two 6's. Parker only went for 4 runs from his 2 overs and Fletcher getting the only bowling dismissal of the night for the Green Hawks. It was a strong performance by the entire team, who all looked to be having fun out on the field.

Opening spells from Harry & Shoni yielded the first wicket, with Lucky having a terrific spell of leg spin soon after, 2x C&Bs coming early with a sharp stumping from Aiden gave the Night Hawks early momentum. A slow start and some heavy feet at the crease put the Night Hawks under pressure early, leaving too much for the late middle order and beyond to do. Some good signs with the ball in hand, but some work to do with the bat this week! MVPs – Lucky Ward and Shoni Pyne

<b>FIELDING:</b> The team had a solid effort in the field this week. Both Patrick Britton and Kai Devereaux had good stints in wicket keeper with Kai also getting a run out.		
<b>GAME REPORT:</b> It was a wet start with overnight rain, a damp wicket and two teams eager to play cricket....and what an enjoyable game to watch, with the Brumbies only nudging ahead in the last over. Harrison Bowden continued his impressive start to the 2 <sup>nd</sup> half of the summer season with 38 runs (2x sixes and 3x fours). In a solid effort by all, each of the Hawks achieved double figures with the bat. Aiden Curle, Patrick Britton, Nikhilesh Balaji, Harrison Cook, and Kai Devereaux all picked a wicket each with the bowling. Harrison Cook had everyone on their seats for another wicket but the bails remained steadfast and it wasn't to be his luck. Both teams brought their best in a great matchup and sportsmanship which would make their clubs proud. Well done Falcon Hawks

**Dear Coaches & Team Managers,**

As this season has nearly reached the finish line, please remember to report match statistics and results as soon as possible after each completed match.

The club statistician will shortly commence the season finalisation and this means club and team awards will be decided based on available statistics you provide after each completed round, in essence - the process relies on your cooperation and the timely submission of all team match statistics.

Please remember that this is a very time consuming process our Statistician Kathy engages in and your assistance is vital to ensure accuracy.

**NO STATS - NO AWARDS** unfortunately!

Thank you
