The President's Bat

Welcome to our first Hawk Talk of the new year. We have many new people who have joined the Hawks over the Xmas period, and I would especially like to welcome them and hope they are enjoying their cricket.

We always have grass problems at this time of the year with council mowing crews struggling to get on top of the long grass. This is particularly so in Brisbane City Council parks. Thank you to all those players and officials who have battled on regardless and we have lost no kids in the long grass. Some draws have also been affected by schools undergoing oval maintenance and we have had to divert games to other available ovals.

This time of the year is always very busy around the South Pine precinct with most football codes now conducting training sessions so please be attentive when driving around the southern part of our grounds near the toilet block. There are little tackers everywhere in a rush to get to footy training and paying little or no attention to traffic.

It has also been obvious in some of the older age groups that many teams have had to play short in this Post Xmas comp. This has mainly been brought about by boys going to private schools and finding out in their first week of school that they are now required to play for their school cricket teams. Unfortunately by then, all teams have been full and teams put into BNJCA draws. I have heard many reports from several of our BNJCA clubs of similar circumstances. We do ask parents who are sending their sons to private schools like Padua, St Pauls, Nudgee and Marist College to let us know well before Xmas that they will be playing for their schools in the new year. This allows our registrar time to re-organize from three teams in an age group back to two etc.

Regular visitors to the nets at South Pine will be aware of the construction site adjacent to the nets. MBRC are constructing a new Public Toilet block. We are not sure when work will be completed but it is obviously going to be a great addition to the complex.

The committee would like to thank those teams battling with smaller numbers. Luckily we haven't had too many hot days.

<p>FIELDING: The boys were a bit rusty after the break and missed several early runout opportunities, but communication and accuracy improved as the game progressed. Sebastian took a cracker of a catch that was hurtling towards the boundary. Carlu also had an amazing catch at wicketkeeper after a batsman got a nice thick edge and the ball carried into his hands.</p>			
<p>GAME REPORT: It was great to be back after the holidays and the boys were hungry for a bit of cricket. The Grey Hawks have some exceptionally talented players, and their bowling was very accurate with sharp fielding. The Red Hawks, however, once again found a way to work together as a team a pull out a victory. There were some frustrations when the bowling and batting did not go to plan, but the boys showed resilience and kept doing their best, despite not having the best game. It is a testament to our team that if some of the boys are not having a great night, it gives the opportunity for some of the other boys to step up and carry the team.</p>

FIELDING: A good first up fielding effort keeping the pressure on the Brumbies and making it hard for them to score. Catches to Khaled and a runout to Rian.		
GAME REPORT: : It was a great first up effort from the whole team with everyone contributing to the win. Special mention to our new players Rian, Khaled and Mehaan who all contributed and fitted in well with the team. Mehaan got the team off to a great start with a wicket in his first over and Anushree clean bowled one of the Brumbies batters with a great delivery. Aarnav bowled with his usual heat and Yousuf bowled a really great spell and has definitely picked up a yard of pace over the Christmas break. The team batted really well with Yousuf and Hayden Lewis getting the team off to a great start and Flynn anchoring the innings throughout the day. Hayden Hill and Aarnav came in and got the remaining runs for the win. All round it was a really great first up effort with lots of options for player of the match. 	Aryan Surani	18

Bowling:	Aryan Surani	1/6

	Raff Dobson	0/9
FIELDING: The team had a phenomenal game fielding with 3 great catches that had the crowd on their feet. Some missed opportunities again with potential runouts early on, but good backing up and improved accuracy did nab a couple of wickets towards the end of the innings. Bowling was pretty good all round. The bowlers need to work on moving back towards the boundary and actively field when there is a free hit from the cone to stop the drive shots. This is something that we can work on.		
GAME REPORT: The boys got back into their groove tonight. They fielded exceptionally well and maintained their focus throughout the first innings. Both teams seemed to struggle to find their rhythm with the bat and a lot of balls went through to the keeper. There were some miscommunications between our batsmen, but a couple of partnerships stole some quick runs and put the fielders under pressure and forced some blunders. There were also noticeably less wide balls bowled/called and less free hitting from the cone, which limited the scoring for both teams. For the very first time the match ended in a draw, which was a bit of an anti-climax. The boys wanted to play an extra over to decide the match, but had to settle for a draw. This was a fair result as the teams were very evenly matched.

<p>FIELDING: The team fielded well keeping the pressure on the Gators batters and not letting them get too many runs. There were a few catches that just eluded the team that if taken would have been absolute classics.</p>		
<p>GAME REPORT: The team's bowling was a little down on last weeks effort with Xavier Tras (XTras) being a big contributor to the Gators final total. Hayden Hill picked up the only wicket in the Gators innings. Khaled was very unlucky not to pick up a wicket or two with his leg spin bowling. He bowled beautifully and was unplayable at times with some big turning leg breaks. The batting effort by the team was outstanding with the runs being chased down with an over and a few balls to spare. Khaled and Aarnav put on a great 2nd wicket partnership to get the team ahead of the rate required and Flynn and Hayden H contributed some good runs down the order. Hayden Lewis scored his runs under pressure batting at number 10 to get the team across the line for the win. It was a great result for the whole team, beating a side that was undefeated through the whole season to date. Khaled picked up a well deserved player of the match award for his excellent all round performance.</p>

	Jack Hose	1/16
FIELDING: Great fielding tonight which included 6 runouts with a couple direct hits. The boys showed great commitment diving and did stop a couple of boundaries, but a few slipped through.		
GAME REPORT: The boys were back in shape tonight and started with some pretty sharp fielding. The captain made a good call to select to field first while the setting sun was making it very difficult for the batsman to see the ball on Field #2. Quick fielding and generally good backing up. Bowlers still need to practice to move behind the stumps and not in front. The boys were initially struggling with their ball placement to find the gaps between the fielders, especially since we had 8 on the field, but it did improve later in the game. This is something that can be practiced, especially when hitting from the cone. Communication between batters were a bit mismatched. Some runs were stolen very effectively, but calling and sliding their bats can definitely be worked on. Great game and great sportsmanship all round.

Lewis Garside and Isaac Ferrari picked up 2 wickets each and Ethan Hobbs converted the teams only run out. Batting conditions were also difficult as the field was deceptively slow, Julian Ironside top scored with 18 runs supported by Linkoln Debney with 13.

	Yousuf Arif	1/2
FIELDING: It was another excellent performance in the field by the whole team. They all kept the pressure on and made scoring extremely difficult for the Cyclones batters. Khaled had glue on his hands, picking up 2 catches and a sensational direct hit runout with one stump to aim at.		
GAME REPORT: The teams bowling was back to it's best this week making scoring extremely difficult. Everyone bowled well and were very economical. A few were very unlucky not to pick up a wicket or two. Aarnav bowled with extreme heat and was unplayable at times, hitting the stumps on 3 occasions. Hayden Lewis bowled with great flight and picked up a couple of wickets and Anushree and Yousuf also chipped in with a wicket each. The batting innings got off to a very difficult start, slumping to 4/3 due to the excellent bowling of the Cyclones. The result was looking doubtful until the final few batters put together a few partnerships that got the team over the line in the last over. Yousuf and Rian contributed to partnerships down the order but the standout partnership was between Anushree and Hayden Lewis who helped take the team from 6/34 through to the target. It was a real case of pulling victory from the jaws of defeat and the heroes of the day and deserved joint players of the match were Anushee and Hayden Lewis.
