The President's Bat

President's Report – 2024/2025

Summer Cricket:

Apart from a brief interruption by TC Alfred, our season was relatively seamless. The weather wasn't too hot and not as much rain as in previous years.

By the time we come back in October the MBRC should have finished the new toilet block, which is being constructed beside our main net complex. We will also have upgraded our field lights from the existing bulbs to new LED lights. These will be brighter, last longer and use less electricity.

We had sixteen boys and two girls who were selected in Brisbane North representative teams which played all over the State before and after Xmas. These players made wonderful contributions to their rep teams and I am sure their club sides have benefitted from their experience. We will acknowledge them on Sunday at the presentation. At the recent BNJCA Stage One trials for U12 – U15 we had several more players who progressed through to Stage Two trials later in the year and I would like to say Thank you to Lincoln Jones for all his efforts as the Warehouse Registrar / Co-ordinator. He will be busy over the next few weeks getting our Winter teams ready.

At this time of the year there are many people to thank as clubs of our size do not just happen. To all the people on the committee and their partners / spouses, I thank you for the countless hours of dedicated service. Eddie Mills has been tireless in her efforts with the Hawk Talk. Peter McFarlane has kept our web site maintained. Leon Marais and Francois Basson have excelled in their roles as Treasurer and Secretary respectively. Craig Grecian has always put his hand up to help out with those jobs around the club which get done. I would like to say a special thank you to my wife, Kathy who has been registrar this year as well as being the club statistician. Kathy has also navigated Albany Creek and Brisbane North through the new PlayHQ program. She has been responsible for the compilation of our trophy lists for the Presentation. Our club would not be the same without all her unseen activities.

The Ian Healy Cup was very successful again this year and I would like to thank Kathy Casey, Leon Marais and his son Louis for their efforts throughout the week. Thank you one and all.

A special thanks also to all our coaches and managers who have put in the hard yards on a weekly basis. Many of these people have been at the club for five or six years or more and their contribution has been invaluable. The fact that these coaches keep coming back says a lot for us as a club and is responsible for the stability and confidence that you as parents have in the care that they exercise over your children.

To all the parents who have assisted with scoring and generally organizing the boys on Saturday morning and Friday nights, I extend a huge thank you.

Our major sponsors LJ Hooker of Albany Creek and Acorshe Cleaning Solutions have certainly allowed us to keep our fees down and thus keep more children on the fields. We have several minor sponsors as well whose ongoing commitment to the club are much appreciated. Please continue to support these wonderful local people. Thanks for your support.

Thank you also to the ACE Netball club for their ongoing support by allowing our club use of their toilet facilities, especially for Friday nights.

Jonathan Thompson is our Property Officer and he will be busy over the next few weeks collecting all the outstanding kit bags and getting them ready for our winter teams and for next season.

I would like to congratulate all those players who received trophies. They would not have received those awards unless their team-mates took the catches or stayed with them while they were batting. You are all winners !! Well done! Thanks to the players for the way you played the games throughout the season.

Good luck in the months ahead and I hope that everyone stays safe and healthy.

How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ♦ Batting Award
- ♦ Bowling Award
- ♦ Coach's Award

The award recipients are determined based on the following principle:

- ♦ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ♦ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ♦ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and may be given for any reason what so ever. For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average ?!?!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Congratulations!

Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

FIELDING: Great fielding tonight which included 5 runouts. A couple of dropped catches with one ball absolutely flying and grazing Jack's eye.		
GAME REPORT: The boys were again in great shape and started with some pretty sharp batting. The field was setout with quite a small boundary, so the boys were excited to chase some boundaries. The boys were again struggling with their ball placement to find the gaps between the fielders with a lot of balls going straight to the fielder. This is something that can be practiced, especially when hitting from the cone. Communication between batters improved with some good running and calling. Sliding their bats can still be worked on. Great game and great sportsmanship all round.

Bowling:	Hayden Lewis	3/27

FIELDING: The team continued to excel in the field with some great catches and some excellent efforts that were very close to being caught. Hayden Hill set the tone for the team with an excellent caught and bowled on the first ball of the match. Flynn took a couple of sharp catches and Aarnav as always was safe in the field when the opportunity presented itself.

GAME REPORT: The bowling effort was excellent with Hayden Hill leading the way with 2 wickets in his first over. This was followed up with 3 wickets to Hayden Lewis and a wicket a piece to Aarnav and Rian. It was a great effort bowling out Valleys Gold in the 17th over. The team put in a very controlled batting effort with lots of contributions all the way down the order. Aarnav hit some great shots with a number of boundaries and a great 6 in his innings. Rian batted very well and remained not out at the end and Flynn, Avar and Yousuf all contributed well to chasing the runs down. Hayden Hill scored some very valuable runs under pressure being last batsman in and got the team close to the mark with the victory secured in the 22 over. It was a great all round performance and it's very pleasing to have so many worthy choices each week for the player of the match award. This week the award went to Hayden Hill for getting the team off to such a great start with his 2 wickets in the first over and his pressure runs at the end of the innings. Well done team, this was a great performance that everyone should be proud of.

FIELDING: Yet another good night in the field with 5 run-outs. Some direct hits and a couple assisted by the bowler/keeper. Mixed results on the catching as we dropped a few, but Carlu took an amazing one handed catch from his own bowling just off the grass.		
GAME REPORT: Tonight was a batting feast with a very short legside boundary. Both teams really made the most of it with 15 x 6's for the Red Hawks and 7 x 6's for the Grey Hawks. We also had improved communication between the batters and we managed to only loose 3 wickets. The Red Hawks showed great sportsmanship in subbing on and fielding for the Grey Hawks and they were certainly fielding at their best and almost got a couple of their teammate out. Great game and great sportsmanship all round.

FIELDING: The team fielded up to their usual high standard again and kept the pressure on the opposition batters making it very hard to score. Khaled picked up a nice caught and bowled and there were a number of very close calls on run outs.		
GAME REPORT: It was one of the best bowling performances of the season by the team. Everyone bowled a really good full length and gave the Ferry Districts batters very few opportunities to score. Khaled was outstanding again with his legspin, with one ball in particular pitching well outside leg stump and spinning back sharply to take out middle stump. Yousuf, Anushree and Meehan all picked up a wicket each, but the outstanding bowling performance of the day was from Flynn. He hit the stumps three times and was on a hat trick at one point. His hat-trick ball was as close as you can get to a hat trick without actually getting it, a searing yorker that missed the leg stump by a centimetre. The team reached the target pretty comfortably after losing a couple of early wickets. The big partnership was between Flynn and Hayden Hill who both retired not out and got the team to within a couple of runs of the target. Again there were multiple choices for player of the match which is great for the team. Flynn picked up a well deserved player of the match for his great all round performance.

FIELDING: Plenty of good bowling and fielding with the boys taking a couple of catches and a couple of direct hits for runouts. Room for improvement is definitely for the bowler and keeper to move behind the wickets when the fielder is aiming at the stumps. With the fourteen wickets taken, it could easily have been double had we caught the balls that just missed the stumps.		
GAME REPORT: The boys were hungry for some cricket after being rained out last weekend. Our very first game on the central pitch! The boys were so excited! They needed some time to get used to the extra bounce on the hard pitch with a lot of balls racing past the keeper. Another great team effort where everyone contributed with bowling, batting and fielding. We only lost 3 wickets. It is great to have a team where everyone is watching the ball and keen to play all the way to the end. Great game and great sportsmanship all round.

FIELDING: Great bowling tonight with most of the opposition bowled out. 14 Wickets made all the difference between winning and losing.		
GAME REPORT: The final game of the season turned out to be a nail biter. The Black hawks bowled a lot of "rolling" balls that pitched very short and our buys really struggled to hit these balls in order to score some runs, which is evident from our lower than usual score across the board for all our batsmen. Another great team effort where everyone contributed with batting and bowling. A couple of miner slip up in the field, but the boys picked themselves back up and continued to play, which was very encouraging to see. Great game and great sportsmanship all round. That ends the Red Hawk's season and we remain undefeated for bot sections. We had drawn 1 game, but we never lost a game!

Bowling:	Yousuf Arif	2/19
	Khaled Mohamed Inthisham	1/11
	Avar Singh	1/14
FIELDING: The fielding effort was solid with some good catches to Anushree, Avar and Lewis. Rian took an excellent catch at point diving forward and catching the ball just centimetres off the ground.		
GAME REPORT: The teams bowling was a little off the mark early after the washout weeks which allowed the Brumbies to get off to a fast start. The team pulled them back nicely with some good tight bowling after drinks giving us a chance at a reasonable target. Wickets to Mehaan, Yousuf, Anushree, Avar and Khaled. Lewis bowled his best spell for the year and was very unlucky not to pick up a wicket or two. The team was in early trouble losing four early wickets which put us well behind the chase, however some great batting by Hayden Lewis, Flynn and Avar kept us in the game with a chance. Avar was unfortunately run out as our last wicket, stopping our exciting chase. Avar received a well deserved player of the match award for his very good all round performance. Overall, it was a great post Christmas season with this game being our only loss. Everyone in the team has improved his or her cricket significantly and it was very difficult awarding the player of the match each week with so many good performances to choose from. I hope everyone enjoys the winter break and comes back bigger and better next year.
