The President's Bat

Welcome to our first Hawk Talk edition for 2025/2026. I would like to send a special welcome to all those new families with the Hawks this season. This year we have 38 teams playing from U8 through to our Open division which is U16 to U18. This season, as with last season, we have two half season competitions, a pre-Xmas and post-Xmas competition. With these two separate competitions before and after Xmas, it will be possible for your team to win two competitions throughout the full season. After Xmas when some players go off to play for their schools, we will re-arrange teams to fill any vacancies. This is usually only for teams from U11 upwards.

This year we will be again sending out the Hawk Talk electronically. This reduces costs and certainly takes a load off the time spent by our Editor, Eddie Mills. It also allows us more flexibility to highlight the various products of our very generous sponsors.

Thank you to all those people who have volunteered to be coaches or managers. This season we had to find several new coaches, mostly in the younger age groups, which says a great deal about our retention rate. The parents of this club appreciate the work that is being done by these wonderful people and have every confidence in the way their children are being cared for. Remember parents that this is your club and any help that you can offer makes life easier for coaches/managers/scorers and club officials. We are all volunteers.

On training nights, you can help out by being prompt when picking up children. Your team officials will not leave until all kids are collected so be considerate to them. On game days support your team and the opposition in a positive manner. Our children will model our behaviour. Winning humbly is as important as congratulating the opposition when they are successful. Scoring and umpiring can sometimes be very stressful so please help your team by being supportive of those who have put their hand up to do the tasks that provide games for your children. I would not like to see cricket as being a child-minding service on Saturday mornings.

Thanks to Kathy Casey for all her admin work in getting coaches and managers set up as well as all the PlayHQ duties which are necessary. I would like to thank all our committee people in advance for the great work which I know they provide this season.

Our Friday Night cricket started on 10th October and everyone was dazzled by the new lights. These LED lights replaced the old halogen lights. The LED's are more powerful, use less electricity and last longer. Moreton Bay City Council has also provided a new Public Amenities block beside our net facility. There was a slight hiccup on our first night as patrons and the committee were not aware that the toilet block automatically locks at 7.00pm. I have contacted Council and asked that they extend this timer until 8.30pm on Friday nights.

Congratulations to our hard-working Registrar, Kathy Casey who has successfully placed over 360 boys and girls into those 38 teams.

Please be prompt with the match reports and stats reports that you send into Kathy or Eddie. All our trophies at the end of the season are directly dependant on your match reporting. No stats = No trophies.

Hopefully the great weather for the first few weeks of our season continues and I look forward to catching up at training or on game days.

On behalf of the Hawks' committee, I would like to wish you all an enjoyable season.

Steve Casey

The Hawks Club Patron

Geoffrey Dymock OAM (born 21 July 1945), former Australian international cricketer.

Geoff played in 21 Test matches and 15 One Day Internationals between 1974 and 1980. On debut, Geoff took five wickets in the second innings against New Zealand in Adelaide in 1974.

He was only the third bowler to dismiss all eleven opposition players in a Test match, and remains one of only six bowlers to have achieved this so far. Geoff captained the Queensland cricket team for 9 matches between 1980 and 1982.

The 7th of October marked the 46th anniversary of Geoff's spell of a lifetime and was remembered by the Lankan Lions on their Facebook Page.

Geoff is an absolute legend and we are proud and honoured to have him as the Albany Creek Hawks Cricket Club Patron.

Geoff attends all Hawks events and never fails to lend his support to our club, most recently presenting Hawks Caps to our newest players. Those lucky players shook the hand of a legend, hopefully they will remember this for a long time

IMPORTANT NOTICE TO PARENTS - TEAM PLACEMENT POLICY

We do not grade players at Albany Creek Cricket Club. It is the policy of the club to attempt to place players according to the individual requests of the players. If no special requests are made, players will be placed in the appropriate age group.

To make it simpler for existing players to register for the next season, we will provide pre-filled registration forms on our club sign-on weekend. Please note - the registration form and the club's webpage form provides a special request section, so that parents can make requests for team placement as per examples:

- *Same team as last year*
- *With 'Sandy Wicket'*
- *With players from 'XYZ School'*

Registrations are also accepted by mail, email or via MyCricket and the Hawks webpage. Please note that registration forms must still be completed for the MyCricket option and forwarded to the Registrar.

Towards the end of each season we will publish the dates for next season's sign-on weekend in the newsletter and on the club's Webpage and Facebook page. We would also like to remind all parents to ensure that any changes in contact details are forwarded to the club to avoid missing out.

Increasing player numbers each year make the administrative task of organising teams more difficult. At the beginning of each season our registrar invests a great deal of time reviewing all player requests before allocating players to individual teams. This commences on Sign-on weekend and continues over several weeks, with new registrations and late registrations coming in right until (and sometimes well after) the season's first game. So please be sure about your special requests, it is extremely difficult to accommodate any late changes once the teams are formed. The process of sorting teams is long and involved and moving players around after it has started creates a logistical nightmare, especially since we also have to work around a deadline for nominating teams to the Brisbane North Junior Cricket Association.

We have in excess of nearly 400 players to keep happy, therefore if registrations are not received before and by the sign-on weekend, or the registrar is not advised of a player's intent to return and preferred playing arrangements, special requests can only be met if there is room in the nominated team.

GENERAL ADMINISTRATION

ANY CRICKET PROBLEMS? - ALL COMMITTEE PHONE NUMBERS ARE LISTED ON THE COMMITTEE PAGE

You have all had a little time to settle in and see how your team is going. Are there any problems? Please don't think now that the season has started that you are on your own. Phone and talk to any committee member or alternatively, approach your coach and we will try and fix what we can. Do not use Facebook as point of contact, the page is for news only.

HELMET POLICY

It is club policy that all **Batsmen MUST wear a helmet** when batting. **Wicket-Keepers MUST wear a helmet if keeping up close to the stumps**, regardless of the style of bowling. This is a Cricket Australia and Brisbane North Junior Cricket Association rule and as such non-negotiable. **NO HELMET—NO PLAY!!**

BATTING GLOVES PROTECTORS

Zone Rules 2.2 (d), (e), (f), (g) & (h) require **ALL** players to wear protection when batting - helmets, pads and gloves are available in each team kit. All players are issued with a personal protector when registering and **MUST** use them.

SAFETY - WET & COLD

Playing cricket can be extremely hot, so please ensure that player safety is a priority when deciding on the need to leave the field for a spell or not. It is important to ensure that all players apply sunscreen before the match and re-apply during every break. Players should wear a wide-brimmed hat and take regular drink breaks throughout the innings. In the event of rain consider player safety when assessing the field conditions to avoid slipping and dangerous play. Do not commence the match if the oval is deemed unsafe and wait for conditions to improve or make a decision to possibly abandon the match if necessary. **DON'T PUT PLAYERS AT RISK!!!**

COACH'S RESPONSIBILITIES

The coach runs the team. The coach is responsible for preparation of the players and control during the match. Batting and bowling orders are the coach's responsibility. It is recommended that from U13 upwards, a captain is appointed to run the team, particularly when fielding. The Hawks expect **ALL** coaches to have a basic Level 1 Coaching Certificate. It is the coach's responsibility to enforce the club's helmet policy and ensure that players wear all protective equipment as outlined above.

MANAGER'S RESPONSIBILITIES

The manager assists the coach with the team administration. The manager should ensure that rostered parents are available to attend canteen duties (as required), act as umpires, scorers and generally assist players and team management throughout the game and training, i.e. organising batsmen to get ready. Managers are responsible for the publication and recording of match results and team statistics. U8 to U10 match abstracts are to be emailed to our statistician directly, U11 to Open Divisions must enter their match stats into the PlayHQ online database. Hat-tricks must be reported directly to the club statistician as there is no option to record them in the PlayHQ online portal. Under 11 to Open managers will also forward player of the round nominations to BNJCA as outlined in the coach's/manager's manual.

How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ◆ Batting Award
- ◆ Bowling Award
- ◆ Coach's Award

The award recipients are determined based on the following principle:

- ◆ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ◆ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ◆ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and **may be given for any reason what so ever.** For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average !?!!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

RESPECT

**BEFORE
YOU
COMPLAIN...**
**...Have You
Volunteered Yet?**

The Hawks Committee is extremely proud of and grateful for all our volunteers who generously donate their time and knowledge to make us the club we are.

Our club is built on the foundation of love for cricket, respect and sportsmanship. Every club representative is entitled to equal treatment, regardless of ability, gender and ethnicity.

Please treat your team coaches, team managers, team scorers and match umpires with the courtesy and respect they deserve. Remember, they have volunteered to look after your child at training and on match days.

Criticism of decisions made by those volunteers is not fair and disrespectful. Disregarding requests and directions given by those officials is extremely disrespectful. You do have the opportunity to volunteer to assist the team management with tasks, so please feel free to raise your hand to do just that instead of criticising.

Remember, our children are a mirror of our behaviour! Be mindful of yours when you are at a cricket match and/or training.

We appreciate your cooperation.

HOT & HUMID WEATHER

How to stay safe when it's hot

Playing cricket in hot and humid weather can lead to dizziness, headaches, or serious illnesses like heat stroke. Give yourself the best chance of staying out there!

HYDRATE

- Drink lots of water
- Hydrate before, during and after games and training
- Avoid alcohol, coffee and high sugar drinks

LOOK THE PART

- Wear a wide brim sun hat
- Wear lightweight clothing, covering arms, legs and neck

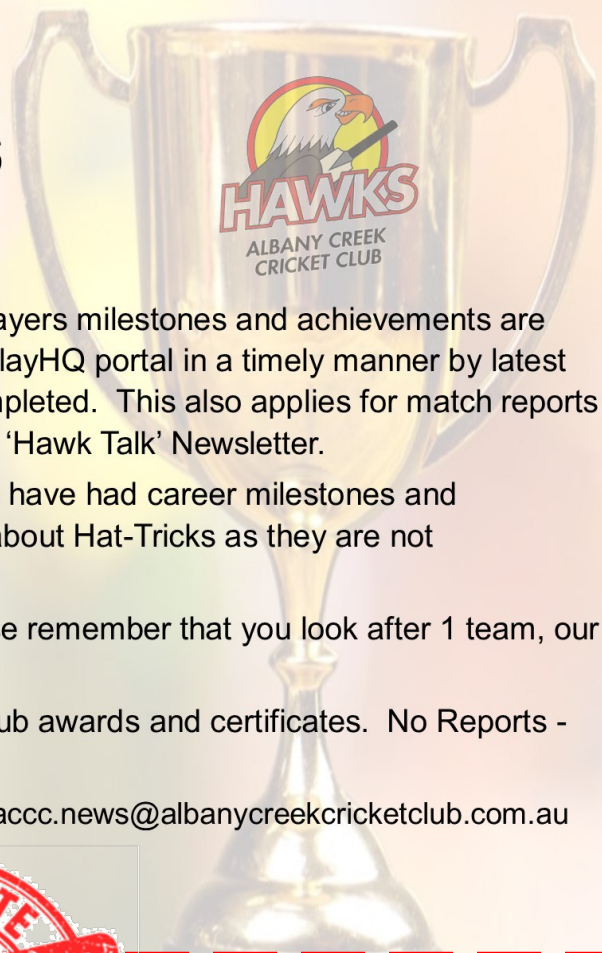

LISTEN TO YOUR BODY

- Avoid standing in the sun for too long before playing
- Cool down in shaded, air-conditioned spaces
- Speak up if you don't feel OK

**HEAT STROKE IS A MEDICAL EMERGENCY. ALWAYS CALL 000.
CHILDREN AND OLDER ADULTS ARE AT MORE RISK OF HEAT ILLNESS.**

Match Statistics & Player Achievements

We respectfully ask that match statistics and players milestones and achievements are submitted to our statistician or entered on the PlayHQ portal in a timely manner by latest Tuesday afternoon once a match has been completed. This also applies for match reports the team wishes to have published in the club's 'Hawk Talk' Newsletter.

We love to let our members know when players have had career milestones and achievements, so please let us know by email about Hat-Tricks as they are not acknowledged on the Play HQ portal.

We understand that everyone is busy, but please remember that you look after 1 team, our statistician looks after 37 teams.

The reports a team submits form the basis of club awards and certificates. No Reports - No Awards!

THUNDER STORM 30/30 RULE

All coaches, managers, captains and anyone else with delegated responsibility for players, are instructed to exercise extreme caution during thunderstorms. The 30/30 rule is to be applied:

(a) if lightning and thunder are separated by a period of less than 30 seconds, the lightning is close enough to be a threat. You are to leave the field or training area immediately and seek shelter in a building or motor vehicle – *not under trees*.

(b) A period of 30 minutes should elapse before play is resumed, that is, after seeing the last lightning flash, wait 30 minutes before leaving shelter. If during this time lightning is again observed, contrary to the 30/30 rule, the 30 minutes will start again.

(c) Common sense should also prevail and caution must be exercised. If lightning is observed in your vicinity, leave the field. Do not hesitate to take the initiative and lead your players off if the opposition and/or umpires do not agree.

This regulation applies to all junior and senior matches. Safety of all involved is paramount and not negotiable

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

GAME REPORT: In the build-up to the game the coaching staff focused [😊] on the basics of running between the wickets and occupying the stumps as a wicket keeper or bowler to receive a throw. The little champions responded with fewer runouts against and more runouts for us in this match. A great effort in the field by our team, with some spectacular bowling with a near Hat-Trick by Deeshan, well supported by the field cutting off boundaries and throwing in to the stumps! Batting saw some smashes and good calling for runs!

GAME REPORT: A great game at Des Conner Park against Valleys Silver, unfortunately abandoned due to rain. FIELDING: Eric 2 catches, Archer and Aaliyah 1 catch each			
<p>GAME REPORT: What a great start to the season fantastic team effort. Aaliyah bowled brilliantly to get 5 wickets and almost bagged a Hatrick if it wasn't for dot balls between a couple of wickets (including a 3 wicket maiden and a caught and bowled). Archer banged out 4 wickets also and great support from all the fielders. The girls (Emilie and Aaliyah) opened the batting got through the first 9 overs. Emilie retired not out in the 12th over allowing the middle order to go bananas. Eric belting out an awesome 69 not out (off 50 balls) hitting them to all parts of the ground, Vivan came out and smashed 44 off 29 and Rian eased is way to 35no without breaking a sweat. Everyone was fantastic in the field with Veer showing plenty of courage saving runs.</p>
