The President's Bat

Welcome to our second Hawk Talk for the 2025 / 2026 season. We have had a reasonable start to the season so far. Our little guys on Friday nights have missed two nights. Last Friday Night we had to call off as storms started to roll in. We had over 40mm of rain in a very short time. We have three weekends to go with our last fixtures being on Friday 5th and Saturday 6th December when we break for the holiday period. The season resumes on the Friday after school resumes in 2026.

We have several of our players recently selected in Brisbane North Representative sides. These players will travel to various parts of Queensland over the Xmas period. This hard cricket will improve their skills. I wish them well and know that they will be great ambassadors for their families and Albany Creek Cricket Club. These names will be included in this edition of the Hawk Talk.

Thank you for your cooperation in getting the players to their club photo night recently. All the photos will be ready for distribution before our last weekend of cricket which is the 5th / 6th December.

We have many new players running around on Friday nights and from what I have seen, our future is in good hands with some great coaching and many promising young players coming through the ranks.

Some of our younger players signed up for a half season with parents not knowing how the kids would take to cricket. If they wish to continue playing after Xmas, could you please contact our Registrar and let her know of your intentions as she would be getting ready to fill those spots with new players signing up after Xmas.

I hope everyone enjoys the remainder of the season.

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

The Albany Creek Hawks community is heartbroken by the tragic loss of Victorian Junior Cricketer Ben Austin. Our deepest condolences go out to his family, friends, teammates and the Ferntree Gully Cricket Club during this incredibly difficult time.

Cricketers across the globe came together to express their support in observing a minute silence and symbolically retiring their bats on 1st November 2025.

Our thoughts are with the bowler who delivered the ball that caused the fatal injury.

THE ODD SPOT

Cricket Terminology

1.	Looking down the pitch from the bowler's end, which side of the field is 'Leg-Side'? A. Left B. Right
2.	Where is 'Cow Corner' on a cricket field and why is it named so?
3.	Why do cricketers use the term 'Duck' when a batter is dismissed for no runs in a match?
4.	Where is 'Gully' on the cricket field? A gully is traditionally a narrow channel or gap.
5.	What happens at 'Silly Point' in cricket? Silly or Brave, it sure is one to contemplate.
6.	Where can we find 'Third Man' on the cricket field? This position is likely the result of the introduction of overarm bowling in the 19th century.
7.	'Point' fields where during a match?
8.	'Long-On' can be found where on the ground?
9.	'Deep Extra Cover' can be found on which boundary, leg-side or off-side?
10.	How does a batter 'Play Across The Line' ?

Overall, it was a great game to watch and everyone enjoyed the game including Parents.

<p>FIELDING: Some great catches, even caught behind be the wicket-keeper. Fielding has room for improvement with multiple overthrows which resulted in extra runs stolen by the opposition.</p>		
<p>GAME REPORT: Today we had the pleasure of having a full team of 9 excited players! The boys were literally fizzing with excitement and this showed in their performances on the field. We were evenly matched with the opposition team, and the boys had their work cut out for them as fielders. There were some great catches by Harrison Madge and Archie Hutchison, leaving the boys with slightly sore hands but massive grins. Archie Brown once again proved what a fast and agile fielder he was especially with no prickles in the grass this time! The bowling is where our team shone. The bowling from the boys was outstanding and the progress from our two new players, Ryan Dua and Leo Cobb was terrific to watch! Parker Bennetts was an outstanding Wicket keeper and caught some beautiful catches! Carlu Delport and Raff Dobson delivered some impressive paced deliveries, but a huge congratulations to Jack Hose and Archie Hutchison who together managed to take out at least 6 wickets! Fantastic cricket! Well done team!</p>

<p>FIELDING: Great fielding all round. Amazing bowling by Parker Bennetts who had 2 hat trick opportunities but just wasn't able to collect that third wicket. Carlu Delpport took 2 great catches at extra cover as well as being involved in 2 run-outs as wicket keeper. Leo Cobb did a great job at back stop teaming up with the wicket keeper for a couple of run outs.</p>		
<p>GAME REPORT: Home game at South Pine Sports Complex. Beautiful sunny day with a light breeze making for a perfect day of cricket. The boys showed excellent sportsmanship by taking turns to help the other team field and were that committed to the game that Archie H actually ran out of one of his own team mates. Great positive communication between our batsmen saw many singles.</p>

<p>GAME REPORT: Toughest game for the season with the Sea Hawks fighting hard against a previously undefeated Valley team to secure the win. Some smart bowling took regular wickets and limited the opposition to 74. With 10 runs needed and only 1 wicket left, and plenty of close fielding pressure, Elias and Levi played safe with a 4 from Elias to tie the game. A risky, but committed run (off a bye), secured a one run win.</p>

<p>FIELDING: Terrific fielding once again! Fences were climbed to fetch balls, and there were some spectacular dives especially from Archie Brown, Parker Bennetts and Harrison Madge who wore their mud-covered whites with pride. The catch of the day went to Jack Hose for a huge dive and a stunning catch! All the boys pulled together and worked brilliantly to chase balls. Their whites all told a story of action-packed fielding!</p>		
<p>GAME REPORT: The morning gifted us with clear skies, heat and happy kids. The opposing team was warm and welcoming and the game was brilliantly played by both sides! The boys faced a very talented team and experienced their first loss in 3 seasons which is amazing. But they all showed great attitudes and said they had a blast! Match Statistics & Player Achievements

We respectfully ask that match statistics and players milestones and achievements are submitted to our statistician or entered on the PlayHQ portal in a timely manner by latest Tuesday afternoon once a match has been completed. This also applies for match reports the team wishes to have published in the club's 'Hawk Talk' Newsletter.

We love to let our members know when players have had career milestones and achievements, so please let us know by email about Hat-Tricks as they are not acknowledged on the Play HQ portal.

We understand that everyone is busy, but please remember that you look after 1 team, our statistician looks after 37 teams.

The reports a team submits form the basis of club awards and certificates. No Reports - No Awards!

ODD SPOT ANSWERS

|----|--|
| 1 | A. Right |
| 2 | Traditionally a remote part of the cricket field, located on the off-side boundary, between deep mid-wicket and long-on, where cows were once rumoured to safely graze undisturbed during matches. |
| 3 | The term is a shortening of the term "duck's egg", the latter being used long before Test cricket began. Referring to the Prince of Wales' (better known as King Edward VII) score of nought on 17 July 1866, a newspaper wrote that the Prince "retired to the royal pavilion on a 'duck's egg". The name is believed to come from the shape of the number "0". |
| 4 | An attacking fielding position behind the wicket on the off side. The fielder stands squarer and deeper than the slips. |
| 5 | A high-risk fielding position requiring a fielder to stand in close proximity to the batter up close to the wicket |
| 6 | Positioned on the off-side boundary, roughly 45 degrees behind the batter, to stop balls that go through the slip and gully areas. |
| 7 | Fielder positioned square of the wicket on the off-side |
| 8 | Fielder on the leg-side of the field, near the boundary, directly behind the bowler |
| 9 | A defensive fielding position on the off-side boundary, and acting as an extension of the extra-cover position. |
| 10 | The batter swings the bat across the ball's path instead of hitting it along the path. A risky shot as it requires perfect timing and control. |
