# The President's Bat

We are back into the Post Xmas season and unfortunately mother nature has decided to play her part. This weekend just gone has been our first major wet weekend with our Friday Night comp cancelled and most games on Saturday affected. From memory only about four teams got a start.

In early January, ACCC hosted the Ian Healy Cup for Brisbane North. Our club has done this since the Cup's inception in 1999 and was once again very successful with the two Brisbane North teams playing each other in the Grand Final. Several boys from Albany Creek represented BNJCA in these two teams. Thank you to Kathy Casey and Peter McFarlane for their assistance throughout the week as well as Craig Grecian, Col Ward and Lochie Ward. Visitors from all over S-E Qld were very envious of our facilities, and all had a great time.

At this time of the year, we have several of our football codes starting early training so it can be very busy around the car park and road areas adjoining our fields, so I ask you to be careful while coming and going to training or to matches on Saturday.

Normally our Presentation Day is the weekend after we complete our season. Our long time Trophy House has had a change of management, and the new people cannot guarantee having all the trophies ready in one week, so we have put back the date to the last Sunday of the Easter school break on 19<sup>th</sup> April. The kids are back at school the next day so we should have most families on board.

Our trophies are all generated by the stats which our coaches and managers send in so please make sure that you keep up to date with that over the next few weeks. I am sure that Kathy will be chasing teams for those stats.

# CRICKET NET SAFETY REMINDER

## *Attention Parents!*

Could parents who have older boys training in the nets please make sure that younger siblings are kept well away from the area **directly in front** of the nets.

**This is particularly important** if we have 15 - 18 year old boys batting.

**It will start to get darker now and we don't want any accidents.**

**PLEASE KEEP YOUNGER CHILDREN WELL AWAY  
FROM THE NET AREA!**

Thank you for your cooperation.

## IMPORTANT NOTICE TO PARENTS - TEAM PLACEMENT POLICY

**We do not grade players** at Albany Creek Cricket Club. It is the policy of the club to attempt to place players according to the individual requests of the players. If no special requests are made, players will be placed in the appropriate age group.

To make it simpler for existing players to register for the next season, we will provide pre-filled registration forms on our club sign-on weekend. Please note - the registration form and the club's webpage form provides a special request section, so that parents can make requests for team placement as per examples:

- *Same team as last year*
- *With 'Sandy Wicket'*
- *With players from 'XYZ School'*

Registrations are also accepted by mail, email or via MyCricket and the Hawks webpage. Please note that registration forms must still be completed for the MyCricket option and forwarded to the Registrar.

Towards the end of each season we will publish the dates for next season's sign-on weekend in the newsletter and on the club's Webpage and Facebook page. We would also like to remind all parents to ensure that any changes in contact details are forwarded to the club to avoid missing out.

Increasing player numbers each year make the administrative task of organising teams more difficult. At the beginning of each season our registrar invests a great deal of time reviewing all player requests before allocating players to individual teams. This commences on Sign-on weekend and continues over several weeks, with new registrations and late registrations coming in right until (and sometimes well after) the season's first game. So please be sure about your special requests, it is extremely difficult to accommodate any late changes once the teams are formed. The process of sorting teams is long and involved and moving players around after it has started creates a logistical nightmare, especially since we also have to work around a deadline for nominating teams to the Brisbane North Junior Cricket Association.

We have in excess of nearly 400 players to keep happy, therefore if registrations are not received before and by the sign-on weekend, or the registrar is not advised of a player's intent to return and preferred playing arrangements, special requests can only be met if there is room in the nominated team.

*From: The Albany Creek Cricket Club Committee*

## GENERAL ADMINISTRATION

**ANY CRICKET PROBLEMS? - ALL COMMITTEE PHONE NUMBERS ARE LISTED ON THE COMMITTEE PAGE**

You have all had a little time to settle in and see how your team is going. Are there any problems? Please don't think now that the season has started that you are on your own. Phone and talk to any committee member or alternatively, approach your coach and we will try and fix what we can. Do not use Facebook as point of contact, the page is for news only.

### HELMET POLICY

It is club policy that all **Batsmen MUST wear a helmet** when batting. **Wicket-Keepers MUST wear a helmet if keeping up close to the stumps**, regardless of the style of bowling. This is a Cricket Australia and Brisbane North Junior Cricket Association rule and as such non-negotiable. **NO HELMET—NO PLAY!!**

### BATTING GLOVES PROTECTORS

Zone Rules 2.2 (d), (e), (f), (g) & (h) require **ALL** players to wear protection when batting - helmets, pads and gloves are available in each team kit. All players are issued with a personal protector when registering and **MUST** use them.

### SAFETY - WET & COLD

Playing cricket can be extremely hot, so please ensure that player safety is a priority when deciding on the need to leave the field for a spell or not. It is important to ensure that all players apply sunscreen before the match and re-apply during every break. Players should wear a wide-brimmed hat and take regular drink breaks throughout the innings. In the event of rain consider player safety when assessing the field conditions to avoid slipping and dangerous play. Do not commence the match if the oval is deemed unsafe and wait for conditions to improve or make a decision to possibly abandon the match if necessary. **DON'T PUT PLAYERS AT RISK!!!**

### COACH'S RESPONSIBILITIES

The coach runs the team. The coach is responsible for preparation of the players and control during the match. Batting and bowling orders are the coach's responsibility. It is recommended that from U13 upwards, a captain is appointed to run the team, particularly when fielding. The Hawks expect **ALL** coaches to have a basic Level 1 Coaching Certificate. It is the coach's responsibility to enforce the club's helmet policy and ensure that players wear all protective equipment as outlined above.

### MANAGER'S RESPONSIBILITIES

The manager assists the coach with the team administration. The manager should ensure that rostered parents are available to attend canteen duties (as required), act as umpires, scorers and generally assist players and team management throughout the game and training, i.e. organising batsmen to get ready. Managers are responsible for the publication and recording of match results and team statistics. U8 to U10 match abstracts are to be emailed to our statistician directly, U11 to Open Divisions must enter their match stats into the PlayHQ online database. Hat-tricks must be reported directly to the club statistician as there is no option to record them in the PlayHQ online portal. Under 11 to Open managers will also forward player of the round nominations to BNJCA as outlined in the coach's/manager's manual.

## How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ◆ Batting Award
- ◆ Bowling Award
- ◆ Coach's Award

The award recipients are determined based on the following principle:

- ◆ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ◆ The **Bowling Award** is decided next.

*(The winner of the batting award is not eligible for this award)*

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ◆ The **Coach's Award** is the third.

*(The winners of the batting and bowling awards are not eligible for this award)*

The award recipient is chosen by the Coach and **may be given for any reason what so ever.** For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

## How to calculate a Player's Average ?!?!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

### The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

**RESPECT**

**BEFORE  
YOU  
COMPLAIN...**  
**...Have You  
Volunteered Yet?**

The Hawks Committee is extremely proud of and grateful for all our volunteers who generously donate their time and knowledge to make us the club we are.

Our club is built on the foundation of love for cricket, respect and sportsmanship. Every club representative is entitled to equal treatment, regardless of ability, gender and ethnicity.

Please treat your team coaches, team managers, team scorers and match umpires with the courtesy and respect they deserve. Remember, they have volunteered to look after your child at training and on match days.

Criticism of decisions made by those volunteers is not fair and disrespectful. Disregarding requests and directions given by those officials is extremely disrespectful. You do have the opportunity to volunteer to assist the team management with tasks, so please feel free to raise your hand to do just that instead of criticising.

Remember, our children are a mirror of our behaviour! Be mindful of yours when you are at a cricket match and/or training.

We appreciate your cooperation.

<p><b>GAME REPORT:</b> A great team effort and some fun after a nice long break. Boundaries and run outs were the order of the day for the Purple Hawks with 23 x4's and a big SIX being hit in the 14 overs faced. Jack Madge did a lot of the damage with 7 boundaries from his 12 balls faced, but it was really a great team performance. Drax has come back from the break with some extra skills and put his pull shot to great use. A superb performance from Oscar, involved in 5 wickets with a mix of bowled and run outs. The second half of the season is shaping up to be a good one.</p>
