From 2018/19 to 2023/24, the Under 11s were included in the Junior Grades table due to rule changes set out below.

** Rule Change **2001/02** - Sundries added to batsman in U9 & U10 age groups.

*** Rule Change **2005/06** - U10 age group only - for whole season - a batsman continues batting until their ball allocation has completed regardless of whether they have gone out or not. Previously, this applied to half the season and then in the second half, a batsman's innings finished when out.

**** Rule Change **2018/19** - U11 age group - a batsman continues batting until their ball allocation has completed regardless of whether they have gone out or not. Also, sundries are added to batsman in U11 age groups. Previously these rules only applied to U8-U10.

***** Rule Change 2024/25 – U11 age group – the rule change introduced in 2018/19 has been removed. Therefore, the Under 11s have now been included in the Senior Grades table.
