'Supporting your local community'

The President's Bat

Last weekend our season finished up with a dry few days which was a great way to go out after several wet weekends where either Friday Night or Saturdays were heavily affected by rain.

Normally we would have had our Summer Presentation Day this coming weekend but our long- standing trophy lady retired and the new company taking over were not confident of having all the trophies ready, so we had to delay by a few weeks and avoid Easter holidays. All will be ready for Sunday 19th April at 3.00pm at the Albany Creek State School Hall.

We had eighteen boys and three girls who were selected in Brisbane North representative teams which played all over the State before and after Xmas These players made wonderful contributions to their rep teams and I am sure their club sides have benefited from their experience. We will acknowledge them on Sunday at the presentation. At the recent BNJCA Stage One trials for U12 – U15 we had several more players who progressed through to Stage Two trials later in the year and I would like to wish them well.

Thank you to Lincoln Jones for all his efforts as the Warehouse Registrar / Co-ordinator. He will be busy over the next few weeks getting our Winter teams ready.

At this time of the year there are many people to thank as clubs of our size do not just happen. To all the people on the committee and their partners / spouses, I thank you for the countless hours of dedicated service. Eddie Mills has been tireless in her efforts with the Hawk Talk. Peter McFarlane has kept our web site maintained. Leon Marais and Francois Basson have excelled in their roles as Treasurer and Secretary respectively. Craig Grecian has always put his hand up to help out with those jobs around the club which get done. Nick Jones and Ivor Kay have been regular representatives at Brisbane north meetings.

I would like to say a special thank you to my wife, Kathy who has been registrar this year as well as being the club statistician. Kathy has also navigated Albany Creek and Brisbane North through the new PlayHQ program. She has been responsible for the compilation of our trophy lists for Sunday's Presentation. Our club would not be the same without all her unseen activities.

The Ian Healy Cup was very successful again this year and I would like to thank Kathy Casey, and Lachie Ward for their work in and around the canteen for their efforts throughout the week. Thank you one and all.

A special thanks also to all our coaches and managers who have put in the hard yards on a weekly basis. Many of these people have been at the club for five or six years or more and their contribution has been invaluable. The fact that these coaches keep coming back says a lot for us as a club and is responsible for the stability and confidence that you as parents have in the care that they exercise over your children.

To all the parents who have assisted with scoring and generally organizing the boys on Saturday morning and Friday nights, I extend a huge thank you.

Our major sponsors LJ Hooker of Albany Creek and Acorshe Cleaning Solutions have certainly allowed us to keep our fees down and thus keep more children on the fields. We have several minor sponsors as well whose ongoing commitment to the club are much appreciated. Please continue to support these wonderful local people. Thanks for your support.

Jonathan Thompson is our Property Officer and he will be busy over the next few weeks collecting all the outstanding kit bags and getting them ready for our winter teams and for next season.

I would like to congratulate all those players who received trophies. They would not have received those awards unless their team-mates took the catches or stayed with them while they were batting. You are all winners !!. Well done! Thanks to the players for the way you played the games throughout the season..

Good luck in the months ahead and I hope that everyone stays safe and healthy.

How Are The Winners Of Team Trophies Determined?!?!

At the end of the season, there are three trophies awarded to each team:

- ◆ Batting Award
- ◆ Bowling Award
- ◆ Coach's Award

The award recipients are determined based on the following principle:

- ◆ The **Batting Award** is always decided first.

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of run scorers. (see below for an example of how the top 50% of run scorers are determined)

- ◆ The **Bowling Award** is decided next.

(The winner of the batting award is not eligible for this award)

The best average is used to determine the winner in senior grades [U11 to Open Divisions], while the junior grades [U8—U10] are determined by the best aggregate total (unless there is a draw, in which case, averages will be used to determine the winner). For senior grades, players must have played in 50% or more of the team's matches and be in the top 50% of wicket takers. (see below for an example of how the top 50% of wicket takers are determined)

- ◆ The **Coach's Award** is the third.

(The winners of the batting and bowling awards are not eligible for this award)

The award recipient is chosen by the Coach and **may be given for any reason what so ever.** For example, the coach may decide to award a player who may not have been amongst the top batters, bowlers or fielders. This player displayed an exemplary attitude towards the game, team mates and coach throughout the season at training and every match.

How to calculate a Player's Average !?!!

The **Batting Average** is calculated by dividing the number of times the batter has been dismissed into the total runs scored for the season, e.g. 125 runs divided by 5 'outs', will give an average of 25.0

The **Bowling Average** is calculated by dividing the number of wickets taken by the bowler into the number of runs scored against the bowler, e.g. 100 runs conceded divided by 5 wickets taken will give an average on 20.0

The **Top 50% Run Scorers and Wicket Takers**

The team list is sorted from highest to lowest run scorer and wicket taker for the season. The top half of these are then eligible for the batting and bowling award, e.g. a team of 12 players will be sorted from the highest to the lowest batting aggregate for the season. The first 6 players on the list (50% of the number of players in the team) will then be reviewed and the one with the best average will be the award recipient - provided that they have played more at least 50% of the season's matches.

The same process will be applied to determine the bowling trophy winner through the bowling aggregate.

Throughout the season, we prepare almost 400 certificates, so in the rush of the moment, we're bound to get some details wrong. Please let us know if there is a problem with a certificate and we'll reissue it with the correct details. We know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

During Bowling, the Grey Hawks took 8 wickets which were shared between three bowlers (Nate , Beau and Reid a wicket each) and 5 total runouts by two players. Overall, it was a great game to watch, and everyone enjoyed the game including Parents. Also, big thank you to Black team for sharing their player with us.</p>

<p>GAME REPORT: Grey Hawks batted first and made 113 runs at 9 wickets and in reply Grey made 108 at the loss of 4 wickets. Based on the number of dismissals The Purple Hawks were the winner. Grey had only 4 players to start the game. Hence, Grey had to borrow Alex from the Purple team. Kids from both teams played well and had great fun. During batting, Harman and Nate were the highest run scorers. During Bowling, the Grey Hawks took only 4 wickets which were shared between three bowlers (Harman, Alex and Max a wicket each) and a runout by Harman. Overall, it was a great game to watch, and everyone enjoyed the game including Parents. Also, a big thank you to Purple team for sharing their player with us.</p>

<p>GAME REPORT: Last game of the season and after a rain-interrupted few weeks, everyone was itching for a good game. The boys have become close friends during the season and it shows with some great teamwork on the field. A close game bought excitement to the field for Purple vs White Hawks with a last ball 4 by Henry to close out a final win. That 4 really tops out a great season with the bat for Henry who brought up 500 runs for the club a few weeks ago. Well done Henry!</p>
